2. Meaning of connected projects

For the purposes of applying subparagraph (b) of paragraph 9 of Article V (Permanent Establishment) of the Convention, it is understood that projects shall be considered to be connected if they constitute a coherent whole, commercially and geographically.

3. Definition of the term "dividends"

It is understood that distributions from Canadian income trusts and royalty trusts that are treated as dividends under the taxation laws of Canada shall be considered dividends for the purposes of Article X (Dividends) of the Convention.

4. Deletion of Article XIV (Independent Personal Services)

It is understood that the deletion of Article XIV (Independent Personal Services) of the Convention confirms the negotiators' shared understanding that no practical distinction can be made between a "fixed base" and a "permanent establishment", and that independent personal services of a resident of a Contracting State, to the extent that such resident is found to have a permanent establishment in the other Contracting State with respect to those services, shall be subject to the provisions of Article VII (Business Profits).

5. Former permanent establishments and fixed bases

It is understood that the modifications of paragraph 2 of Article VII (Business Profits), paragraph 4 of Article X (Dividends), paragraph 3 of Article XI (Interest) and paragraph 5 of Article XII (Royalties) of the Convention to refer to business having formerly been carried on through a permanent establishment confirm the negotiators' shared understanding of the meaning of the existing provisions, and thus are clarifying only.
