GRAND TRUNK RAILWAY EMPLOY-
EES—PENSION RIGHTS AND STATUS

Mr. J. W. KING (Huron) moved:

For a copy of all letters, telegrams, corre-
spondence and other documents that have
passed between the officials of the Grand
Trunk Railway, the officials of the Brotherhood
of Railway Trainmen, and the Order of Rail-
way Conductors, and all agreements signed be-
tween the officials of the Grand Trunk Railway
and officials of the Brotherhood of Railway
Trainmen and the Order of Railway Conductors,
regarding the strike on the Grand Trunk Rail-
way System, of trainmen and yardmen, in 1910,
and particularly the correspondence and agree-
ments affecting the seniority rights of the men
who worked during this strike.

Hon. W. L. MACKENZIE KING (Prime
Minister): Mr. Speaker, this is a pretty
large order for which my hon. friend has
moved. I am not sure that it is possible
for the Government to get all the letters,
telegrams, correspondence and other docu-
ments that have passed between the offi-
cials of the Grand Trunk railway and offi-
cials of the Brotherhood of Railway Train-
men and the Order of Railway Conductors
relating to a strike that took place in 1910.

The Government, of course, has control
of some of the correspondence; how much
of it is in existence at the present day it
is difficult to say. I fear, if all the cor-
respondence were brought down, it would
make a prodigious load. Perhaps my hon.
friend would intimate more particularly
what documents he desires, and it can be
ascertained whether they can be brought
down or not. I think he has one or two
documents more particularly in mind, and
if he will intimate just what he desires,
the Government will endeavour to obtain
them. I doubt, however, if it will be pos-
