

The McConnells are very anxious for John to go to Cambridge, and are, naturally, seeking assistance wherever it can be found. I know that Sir William Clark has been interested.

Is it asking too much that you write to some of your Cambridge friends and see if McConnell can be accepted in some college?

With all good wishes,

His Excellency the Right Honourable
the Earl of Bessborough, G.C.M.G.,
Governor General of Canada,
O t t a w a .
