

has seen to denounce <sup>in explanation</sup> ~~in explanation~~ <sup>something</sup> which I failed to grasp the meaning of.

That is by way of preliminaries

Mr Rice Stenops and others including  
whom I have asked me to become  
paid Secretary of the 'Loyalist' movement,  
and they more or less decline to take  
'no' for an answer.

They recently had a meeting <sup>in</sup>  
presence of delegates in Toronto and  
it was then decided they organize  
a Headquarters in Ottawa.

Cannot tell you any more for I have  
not even seen the ~~man~~ minute  
Even granted

Granted that I had perfect health  
and the capacity for such work.

Confess that I am quite a bit  
"in the air" as regard the movement.
