

YORK COUNTY

WANT NEW POST-OFFICE OVER IN WEST YORK

G.T.R. Busy Ballasting Belt Line—
Board of Health Hold First
Meeting—Suburbs.

There was a good attendance of neighbors at the residence of David Gooderham, on the Vaughan plank road, about three and three-quarter miles north of Fairbank, last night, when the question of establishing a new postoffice in that section was under discussion. The proposition being enthusiastically endorsed by everyone present. The district name is fairly two and one-half miles from the nearest office, and in the very heart of one of the most agricultural districts in Ontario. W. F. Maclean, M.P., was present and promised his hearty assistance in presentation of the matter before the postmaster-general. A petition submitted last night was signed by everyone present, and this will be largely supplemented when circulated among neighboring farmers.

Mr. Maclean advocated the extension of the free rural mail delivery system, and a proposition outlining a route, starting at Fairbank, continuing up the Vaughan plank road to the townline between York and Vaughan Township, thence west to Cherry, down to Ella and Downsview, was mapped out. It is a singular thing that while there is a free rural mail delivery in East York the same service does not obtain in West York. From the unanimity and enthusiasm manifested last night, the condition will undoubtedly be soon remedied.

NORTH TORONTO.

Old Belt Line Will Soon Be Centre of Business Activity.

NORTH TORONTO, Sept. 15.—(Special.)—The southern end of the town experienced something of a thrill yesterday when for the first time in 12 years the right of a Grand Trunk engine and train steaming along the old Belt Line Railway was seen. The construction train, containing about a dozen cars of gravel for ballasting came right up to Yonge-street bridge, the present eastern terminus of the road, and the work of placing the roadbed in first-class shape will be prosecuted with all vigor. It is said that the line will be at once extended to the old station buildings a few hundred yards east of Yonge-street, and the company have no intention at the present time of going beyond the points indicated. The saving to the merchants and citizens generally in avoiding the big bill to the north of the C.P.R. tracks in the carriage of freight will be enormous. The road will be open for business in about a fortnight.

The inaugural meeting of the North Toronto Board of Health was held last night, but only one of the members being in attendance. Robert Ferguson was elected chairman, and while there was a general discussion, nothing very outstanding was done. The case of the local Chinese laundry permit was laid over for a month.

In St. Clement's (Anglican) Church to-night a reception was tendered by the incoming rector, J. Fidler, Jr., to the members and friends of the congregation. A number of resident and other clergy were present and the proceedings throughout were delightfully informal and enjoyable.

THISTLETON.

Will Have Old Boys' Reunion Here as Well.

THISTLETON, Sept. 15.—On Saturday, Sept. 17, there will be an old boys' reunion and a grand opening of the new public hall. The program is to consist of a field day of athletic sports, to be held on the village green, and a grand concert in the evening. The athletic sports are to include a lacrosse and football tournament for the valuable silver cups, 100, 220 and 440 yards races; three-mile relay; standing broad jump, hop-step and jump, tossing the caber, and a quilt match. The concert will be rendered by the following talent: Eddie Pigott, humorist; Charles Emory, humorist and dramatic entertainer; and Mr. Harold Richardson, pianist and accompanist. Admission 25 cents. Mr. John Gardhouse, reeve of Etobicoke, will occupy the chair.

EAST TORONTO.

Mrs. C. J. Bell is spending a month with her sister in Saratoga, N.Y.

MARKHAM FAIR.

The annual prize list of the Markham Agricultural Fair, to be held in Markham Village, on Wednesday, Thursday and Friday, Oct. 5, 6 and 7, has just been issued, and in its typographical make-up and general appearance is very creditable. The prizes given are the most attractive ever offered at any county fair ever held in the world, and will doubtless more than make up for the loss of the horses, cattle, sheep and swine, to be found in Ontario. With a progressive and aggressive board of directors, thoroughly alive to the importance of this big fair, it will doubtless take on fresh laurels. The Grand Trunk Railway have promised an unrivaled train service, and

FAIRBANK.

FAIRBANK, Sept. 15.—The benefit concert held in the Banley Hall last night was an unqualified success. The proceeds and donations were in aid of the Dalby family, whose home on Murray-street was destroyed by fire last week.

THORNHILL OLD BOYS.

A very enthusiastic meeting of the Thornhill Old Boys was held a night or two ago, to complete final arrangements for the reunion at Thornhill, Saturday, Sept. 17.

A fine list of sports has been arranged for the afternoon, for men, women and children, as well as a baseball match and tug-of-war between the old boys and Thornhill. The town is being beautifully decorated with flags and bunting, and a monster parade will be held to the Thornhill mineral springs grounds, when the picnic and games will take place.

The Eglington Brass Band will furnish music during the afternoon, and a most enjoyable outing can be expected. Special cars leave the C. P. R. crossing at 2 o'clock.

TO SEND TEN DELEGATES

Local Irish League Honored by International Convention.

The dove of peace hovered last night over the heads of the members of the United Irish League, which met in the auditorium of the Irish Club, Limited, 218 Simcoe-street, for the purpose (principally, or ostensibly) of selecting delegates to the international convention of the U.I.L. to be held at Buffalo, Oct. 27-28. President F. J. Roche was chairman. Although it is usual to have only three members from any branch at the international convocations, National Secretary O'Callaghan requested the Toronto branch to send ten members, if possible, a signal honor, more especially in view of the fact that Canadians show loyalty to the British Empire, while the American branches are not so distinguished by their hostility. A provisional body of ten delegates were chosen, the choice of all arrangements being left to a committee of three, consisting of the secretary and the treasurer of the Toronto branch of the U.I.L. Communications were received from Col. Mackay, general manager of the Home Bank, and from Mr. Peter Ryan, the former expressing, thru his secretary, his regrets at not being able to act on the O'Connor reception committee, owing to his absence in the west, and the latter expressing surprise that the names of certain prominent Irishmen, who were active workers for the Irish cause, should have been dropped from the list selected by the sub-committee, but stating that he would, in any case, gladly do his best to make the O'Connor reception a success.

At this juncture E. J. Hearn rose and submitted a list compelling all arrangements to be made by the sub-committee, with additional names, increasing the number of the managing committee by forty. He then moved for its adoption, seconded by J. Walsh. The motion was carried unanimously. It was moved by L. V. McBrady, K.C., seconded by John T. Loftus, that this new committee convene next Monday evening at 8 o'clock at the King Edward Hotel. Motion carried. Secretary Dan Hinds being overburdened with his duties, Dr. J. D. Logan moved, seconded by Rev. Father Minehan, that Patrick B. Lewis be appointed assistant secretary to the reception committee. Motion carried.

All arrangements for securing Massey Hall on Friday evening, September 16, were completed. The finance committee will solicit subscriptions and the tickets, these tickets, however, must be exchanged for reserved seats coupons at the Bell piano rooms, 148 Yonge-street.

OBITUARY.

Mrs. Elias Rogers. The death took place yesterday of Mrs. Elias Rogers, wife of the president of the Elias Rogers Coal Co., at the family residence, Deer Park. Early in the spring Mrs. Rogers went to Germany for her health, but her illness grew worse, and Mr. Rogers brought her home.

Mrs. Rogers was a member of the First Methodist Church, and was active in all the organizations of that congregation, and especially so in regard to the missionary work of the church. She was also deeply interested and an active worker in the Toronto Union Mission in Hayter-st. There over twenty years ago Mrs. Rogers established the mothers' meeting. At one time she was president of the Young Women's Christian Guild.

Besides her husband Mrs. Rogers is survived by three sons, Messrs. Alfred, John and Clarence Rogers, and four daughters, Mrs. A. H. Beaton and the Misses Rogers, at home. Mrs. Rogers was in her 62nd year.

Toronto Train Service Requirements. An indication of the popularity of the new train leaving North Toronto at 10 p.m. for Montreal and Ottawa, which has been in operation but two weeks, is the fact that the announcement is made that this train will carry two regular sleepers for Montreal, instead of one, as heretofore, as well as the through coaches for Montreal and through coaches and sleepers for Ottawa. The train leaving the Union Station at 10.30 p.m. carries through sleepers for Ottawa and Montreal, as in the past.

Want Them Reinstated.

WINDSOR, Sept. 15.—Friends of Deceased Campaign and Mahoney, who have been suspended from the provincial police force for refusing to wear the uniforms adopted this year, are circulating petitions in Windsor asking Hon. J. O. Reame, representative for the riding, to bury himself in their behalf and have them reinstated. A large number of signatures have already been secured.

The Zionist Convention for Canada will be held in Toronto on December 23 of next year. Delegates from all parts of Canada will be present to attend the sessions. President Clarence de Sola, Montreal, will preside.

Realty and Building

Y. M. C. A. PLANS

Chicago Firm to be Engaged as Consulting Architects.

The first fruits of the Y. M. C. A. building campaign are at hand in an announcement by General Secretary Warburton that at a meeting of the joint committee, it was decided, upon the recommendation of Mr. Burke, architect, to engage the firm of Chubb, & Hussey, Chicago, as consulting architects. This firm has had extensive experience in association architecture, and now has as many as thirty-five buildings in course of construction. The committee is considering the details of the buildings, and has practically agreed upon erecting all the buildings free of debt, giving the boys work large prominence in the Central and West End, and in view of the athletic and gymnastic interest in Toronto, providing special treatment and well ventilated gymnasiums and shower baths. An interesting experiment has been tried in several of the cities of the United States by which lockers are done away with in the gymnasium, and each member is given a clean suit every time he takes exercise. The only need for a locker in this case is for such temporary purposes, no permanent lockers being assigned, but space for hanging street clothing of the member being meeting all the needs of the building.

The committee is also planning for large dormitory accommodation in the Central and West End buildings. The broadness of view is so unique that it will require special treatment, detached building forms will be erected and it will be connected with the present boys' building.

Mr. Warburton reports that the collections from the subscribers to the building fund are most encouraging. The treasurer has received to date \$18,183.86 for the men's fund, and \$18,492.36 for the women's fund.

"If this keeps up," said Mr. Warburton to The World, "Toronto will have a two-story Y. M. C. A. building the largest amount of money of any city in a given time, for association work, and also meeting the obligation of the donors under advance of the period stipulated on the subscription cards."

The church site committee of the Central Presbyterian Church, Grosvenor-street, have at last decided to ask the trustees to put the church property up for auction, in order that the title may be put into shape for being sold. According to general church law, any church property, before it can be sold, must be put up for auction, and to this end advertised on Monday, or until sold. It is believed that the committee have in view a site at the head of Spadina-road, whereon to erect their new building.

The purchase by F. B. Robins, president of Robins, Limited, thru James Brandon, of the corner of the northeast corner of Victoria and Richmond-streets, was concluded yesterday. The consideration is in the neighborhood of \$100,000. The property is to be used for office purposes by Robins and their subsidiary companies.

The corner-stone of the new Masonic Hall on College-street, near Macdonald, will be laid to-morrow afternoon at 2 o'clock by Judge MacWatt, grand master of the Grand Lodge.

Demolition was begun yesterday on the old residences of Sir Frank Smith and Robt. Wilkes, on East Bloor-st. The work is being done by the new government house.

The competitive plans for the new residence for the lieutenant-governor are at present under consideration. A Detroit firm manufacturing electric automobiles, are in negotiation with the city for the purchase of the skating rink portion of the club's property, 519 Church-street. The price offered is \$22,500. The plan intends erecting a factory, which will cover a space 50 x 100 feet.

S. S. TEACHERS' TRAINING

Series of Meetings Arranged for November.

Dr. Franklin McElfresh, superintendent of the teachers' training department of the International Sunday School Association, and Dr. J. Shreve of Durham, superintendent of the visitation department of the same, will spend from November 10 to the 22 of special meetings throughout Ontario. These two men, with the two secretaries of the Ontario Sunday School Association, Rev. E. W. Halpin and Rev. J. M. Glasworth, will tour, one in the eastern, and one in the western part of the province.

At North Bay a special two-days' convention is being arranged for that section of the province encompassed by Sudbury, Orillia, Mattawa and Cochrane.

Annual Western Excursions, Sept. 16th and 17th. From Toronto, via Grand Trunk Railway system, at the following low rates for the round trip: Chicago \$12.40, Detroit \$6.60, Cleveland, via Buffalo and C. & E. \$6.85, Cleveland, via Detroit and C. & E. \$7.50, Grand Rapids \$6.35, Saginaw \$7.40, St. Paul or Minneapolis, all rail, \$28.40; St. Paul or Minneapolis, via Sarnia, Port Huron, Detroit and St. Paul & S.S.M. Ry., \$31.90. Return limit Oct. 3, 1910.

Full particulars at city ticket office, north-west corner of King and Yonge-streets. Phone Main 1293.

Hasn't Been Reformed. Martin Brennan, alias Thompson, 4 Draper-street, was released from Mercer about a month ago. Yesterday he was arrested by Detective Tipton upon a warrant charging him with theft of clothing from G. A. Harper, 14 Concord-avenue, who gave her a position when she left the Mercer. She is also charged with theft of clothing from another person living in Lane-downe-avenue, and theft of \$7 from another in McCaul-street.

Victim Saves Him From Jail. John McPherson, horse dealer, sold an aged and infirm horse to Rev. William Williamson of Dundalk, Ont. "There will be a conviction," said Magistrate Denison. "It is one of the most contemptible pieces of fraud that ever came before me. Here is a man who trusted to your honor, he told you he knew nothing about horses, and yet you palmed off this worthless creature on him. It is deliberate, willful fraud. If it wasn't that I knew that this kind old gentleman would worry about it more than you would, I would send you to jail. I therefore remand you for sentence."

FOR SALE Farms and Residences IN WESTON

Major Wadsworth has decided to sell his property in Weston, comprising about 800 acres, including grist mill, water power, large residence containing about 15 rooms, and farm and market garden property.

In addition to the buildings above mentioned there are erected on the property four cottages, three dwellings, two barns, wagon shop and farm buildings.

A large part of this property is situated on the banks of the Humber River, making a most desirable location for good residential property. There is also a large tract that can be cut up into building lots and the balance can be sold in parcels for market garden lands.

The property will be sold en bloc or subdivided to suit purchasers.
