

GERMAN PROPAGANDA PROMPTLY STOPPED

American General in Coblenz Issues Warning to Theatres and Newspapers.

Coblenz, Tuesday, Dec. 17.—German propaganda and the tendency to criticism of conditions in the district occupied by the American forces, have been abruptly checked by the establishment of a censorship of Major-General Dickman, upon the newspapers and the theatres. The regulations governing the press were formally made public, but those which apply to the theatres were communicated verbally by the chief of the intelligence department, who also explained personally to the newspaper owners what was expected of them. The managers of the theatres, ranging from opera to moving picture productions, were informed that there was no objection to their giving performances except in cases where attempts were made to inject propaganda or criticism, either directly or by innuendo into the productions. Not even approval of the censoring of the press could be continued. If it were discovered that the regulations had been violated, prompt action would be taken.

To the newspaper owners it was pointed out that on the part of the Americans they were not to be censored, but that the censoring of the press was to be continued. It was also pointed out that the regulations had been violated, prompt action would be taken.

OBJECTS TO EMPLOYMENT IN DUAL CAPACITY

New York, Dec. 20.—Clarence H. Mackay, president of the Commercial Cable and Postal Telegraph companies, demanded in a statement issued here tonight that Newcomb Carlton, director of the government controlled cables, terminate his "dual capacity" as an employee of the postmaster-general and president of the Western Union Telegraph Company. Mr. Carlton's continuance in both positions, Mr. Mackay declared, was the right to control and pry into the business policies of his competitor, and was antagonistic to the decent instincts of the American people. The same thing, he said, applies to Theodore N. Vail, president of the American Telephone and Telegraph Company, who is acting as an adviser to Mr. Burleson.

PAY MONTREAL POLICE FOR TIME OUT ON STRIKE

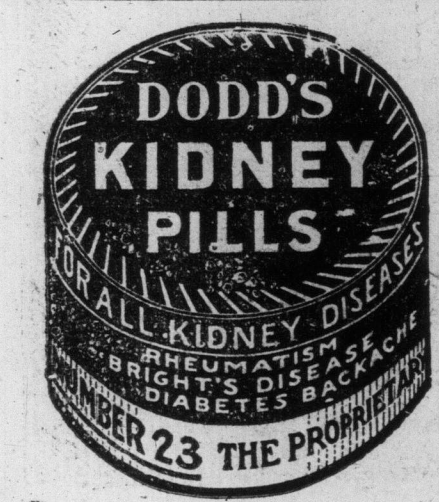

Montreal, Dec. 19.—When the administrative commission met yesterday the resignation of Chief Detective Belanger was accepted. No announcement was made as to whether Detective Chief Nakh would be retained. The commissioners authorized the payment of \$1566 for repairing the fire alarm system, and they also passed a resolution to pay the wages of the employees of the police, fire, aqueduct and incineration departments during the time they were on strike.

Manufacturers Ask Replacing Of Duty on Farm Tractors

Ottawa, Dec. 20.—The request of the Canadian Manufacturers' Association as recently expressed by a resolution passed at Toronto that the duty on farm tractors be replaced is exciting considerable interest in the capital. The situation is that the duty has never really been removed, but an order-in-council passed on Feb. 7, 1918, provided for its remission by the customs department for a period of one year. In other words the duty is refunded to importers of farm tractors not exceeding fourteen hundred dollars in value. Should not action be taken by the government prior to Feb. 7, next, the duties on imported tractors, as well as the duties on motor cars and truck attachments dealt with in the same order-in-council, will again be collectable. The farmers' organizations of the Dominion are it is understood, pressing for the placing of tractors permanently on the free list.

TOTAL GERMAN DEAD ABOUT TWO MILLION

Up to October 25 Aggregate Casualties Were Over Six Millions.

New York, Dec. 20.—When the total German casualties are published the number of dead will be about two million, according to The Cologne Gazette of November 25, a copy of which has been received here. Up to October 25 the total casualties reported were 6,066,769, of whom more than 4,750,000 were Prussians. The total included the naval casualties, which were 70,000, composed of more than 15,000 dead, more than 15,000 missing and nearly 29,000 wounded.

Casualty list No. 1284, published on October 24, according to The Cologne Gazette, placed the number of dead at 1,611,104, the number of wounded at 2,683,143, and the missing at 72,522. The paper says that of the number reported missing 159,000 may be considered dead. The Cologne paper uses the word appalling in describing the casualties among the Germans. The total on October 24 included 44,000 officers killed, 24,000 officers wounded, and 13,600 missing, a total of 140,600. The loss in officers alone, the paper points out, exceeds the total casualties of Germany in the Franco-Prussian war of 1870, when the total losses were 129,698.

GERMAN FOREIGN OFFICE ALL OUT ON STRIKE

Amsterdam, Dec. 20.—All the leading officials of the German foreign office are on strike as the result of the government's acceptance of the resignation of Dr. Solf as foreign minister, according to The Rhenish Westphalian Gazette. None of the officials has appeared for duty in the past several days, nor has anyone reported himself ill. In their absence the routine work of the foreign office is piling up and there is nobody to look after it.

WHO STARTED THE WAR?

Vienna, Dec. 20.—The national assembly of German Austria has adopted a bill ordering an investigation into the question of who was actually responsible for the war and prescribing the proceedings to be taken against its authors.

APPEAL TO COAL MINERS.

Washington, Dec. 20.—An appeal to the anthracite mine workers to observe only Christmas Day itself as a holiday during the coming week and to work industriously during the other five days was issued today by the United States fuel administration. A celebration of greater length than Christmas Day itself is viewed by the fuel administration as likely to have a serious effect upon the anthracite situation.
