LABOR COUNCIL TO ASK ALDERMEN TO ACT FAIR

Want Commission Pledged to Support Immediate Contract When Matter is Again Considered.

HAMILTON, Nov. 5.—(Special).—The trades and labor council to-night considered the power situation, and those aldermen who got into the council on the hydro-electric ticket, but who voted last Monday evening to block a contract with the commission, came in for severe criticism. Several resolutions were considered, but it was finally decided that they might have been misled into voting as they did in the belief that they might obtain better terms from the commission, and it was agreed to send a committee to wait upon them to ask them to keep their pledges, and to vote when the question next comes before them as to expedite the signing of a contract with the commission. The trades council has the written pledges of both Aldermen Porth and Applegate that they would support a contract with the commission, and a verbal pledge from Ald. Ryan. The suggestion that a plumbing inspector be appointed was endorsed. Invitations will be extended to Samuel Compers, John Mitchell and other labor leaders to address a meeting here.

Temperance Organization.
The temple of Ward 3 held an organization meeting this evening in the Charlton-avenue Methodist Church. The following officers were elected: H. E. Elmer, chairman; Alfred Ward, vice-chairman; Stanley Smith, secretary. Two representatives of each church in the ward will be asked to serve on the executive. Addresses were delivered by Aldermen Cooper, Lees, Porth and Peregrine, and Rev. W. J. Smith, Rev. A. H. Goring and Rev. Hugh McDermid.

Prisoner Won't Eat.
Oliver East, a young man detained in jail on a charge of insanity, refuses to eat. Marie Tagher, wife of John Tagher, held on the charge of being a black hand artist, was remanded at the police court this morning on charges of assaulting and threatening her mother.

There was another session of the street lighting arbitration this morning.

Blood And Skin Purification

Is Best and Most Quickly Accomplished by Using Stuart's Calcium Wafer.

Ever since the world began, mankind has suffered from various forms of skin and blood diseases. We find mention of certain diseases of the skin in writings which have come to us from periods of greatest antiquity, especially those of the Greeks, Egyptians and Hebrews, many of the diseases being described with great minuteness. The glands of the skin are known as the sebaceous, or oil glands, and the sudoriferous, or sweat glands. The sebaceous glands secrete the oil, and their main duty is to keep the skin soft and flexible. When these glands fail to secrete sufficiently, there is a dry, harsh condition of the skin, which becomes wax-like in appearance; but if they are over-stimulated, as in certain cases of over-eating, too much oil is secreted and poured out on the skin's surface, giving the appearance of oily skin, or greasy complexion, as it is termed. When this condition is present, dust particles settle upon the skin and, adhering to the oily surface, block up the outlets to both the oil and sweat glands.

The muscles of the skin, which are in a way connected with the sebaceous and sweat glands, play an important part in keeping the pores and glands open, as each time the muscles contract, pressure is made upon the glands and their contents more or less forced out. The skin of the face does not have the advantage of this muscular aid in the expulsion of the glandular secretions, and therefore very readily becomes clogged with impurities, thus furnishing one of the principal reasons for the prevalence of pimples and blackheads upon the cheeks.

In nearly every form of skin disease and clogging of the glands the blood is primarily at fault, being filled with impurities which, through weakness of the purifying function, it is unable to eliminate properly.

Of all the remedies on the market for the cure of skin and blood diseases, STUART'S CALCIUM WAFERS have, after many tests, been pronounced the most efficient and powerful. They have been remarkably successful in curing pimples, blackheads, clogging of the oil and sweat glands, carbuncles, eczema, scrofula, ulcers and many other skin humors arising from an impure condition of the blood.

They tone up the skin glands so that a normal amount of oil is secreted, and through their use one need not suffer from either an oily skin or an abnormally dry skin. The perspiration glands are also made to functionate normally, and as the blood is at the same time purified, all forms of skin troubles are terminated and cured.

Purchase a package of Stuart's Calcium Wafers from your druggist at once for 50 cents, and rid yourself of skin troubles and blood diseases. Send us your name and address for a free sample package. Address: P. A. Stuart Company, 175 Stuart Building, Marshall, Michigan.

ing. Both sides have exhausted all the expert evidence. The arbitration continues next Tuesday.

William Dobson, the Canadian Express Company's cashier, who was slugged and robbed at Niagara Falls, is a son of James Dobson, 22 Tuckerside street, and had been employed in the Hamilton office until a month ago. He is about 25 years of age, and came here from Scotland about five years ago. Constable William McLean is in the city hospital with appendicitis.

No Funds in the Bank.
Gordon Riggs, North James-street, was arrested to-day charged with securing \$5 from F. Hill, by false promises. Hill says he cashed a cheque on the Dominion Bank for the prisoner, only to discover that he had no funds in the bank.

"All Honorable Men."
The three aldermen who say they voted last Monday in the council in favor of making fresh demands on the hydro-electric commission in the belief that there was a possibility of getting them made the following pledges before the elections.

Ald. Porth—"I am in favor of giving the people what they want, and I believe they want competition in the matter of electric power."

Ald. Applegate—"Competition every time for me. I am in favor of the hydro-electric power in this instance."

Ald. Ryan—"I am an enthusiastic hydro-electric man."

Threatened to Shoot Girl.
William C. Macdonald was arrested to-night on a charge of threatening to shoot a girl, employed by Edwin Mills, Aberdeen-avenue. He is also charged with trespass by Mr. Mills, and with carrying a revolver. Macdonald, it is said, has been going with the O'Connor girl for some time. His visit to the house to-night terminated in a row, and according to the girl, he threatened to shoot her. Mr. Mills notified the police, and detained Macdonald until they arrived.

CHINA AND THE OPIUM TRADE

Too Rapid Decline of the Importation of India Opium.

PEKIN, Nov. 5.—British Minister Jordan, on behalf of his government, has raised objections to the manner in which China is suppressing the opium traffic.

The objections are the result of the success of the anti-opium movement in China, which is causing a more rapid decline in the importations of opium from India than was planned in the British-Chinese agreement of 1907, which contemplated a gradual reduction of the importation. Consequently China is now confronting a very real prospect of paying for Indian opium that she does not use.

PAYMASTER HELD UP

Triad of Masked Men Fail in Attempt in Nova Scotia.

HALIFAX, N.S., Nov. 5.—As George Fox, paymaster, was driving in a team from Dartmouth to the rope works, north of the town to-day, with \$3000 to pay the rope works employees, three masked and armed men attempted to hold up the team and get the money. The driver, who was alone, was shot at, but escaped with a bullet wound to his chest. A bag of money fell from the main compartment of the wagon, and was delivered safely at the rope works.

DITCHED TRAIN TO PREVENT COLLISION; NOBODY HURT.

MASON CITY, Iowa, Nov. 5.—To prevent a collision between passenger trains on the Iowa Central and Great Western railroads, at Mason Junction, early to-day, towernian James Ed. burg derailed Iowa Central train No. 6, southbound, sending it into the ditch. The train, which was carrying a large mail and a large amount of money. No one was hurt.

THE PUBLIC LIBRARY.

The removal of the reference library and of the business offices from the Church-street building to the new Y.M.C.A. rooms, Yonge-street, yesterday, John Stark presided. The treasurer's report showed that the receipts and expenditure for the year are about equal, and the mission closes its thirty-fourth year without a deficit. The board instructed its executive to provide for the removal of the library to the new building, and to hold an annual meeting on Tuesday evening, Nov. 30, in Bloor-street Baptist Church.

TRENTON COURIER NOW TAKES UP PEOPLE'S CAUSE

Thru Information Supplied by The World is Able to Heartily Oppose Power Franchise.

New light appears daily on the hydro-electric situation in Trenton, where a bylaw to be voted upon on the 15th inst., has been prepared by which a private company is to be given the town's rights in the Trent River waterworks in perpetuity.

The Trenton Courier in its last issue has become alive to the situation, and better late than never, espousing the cause of the people in the following article.

Our last week's article has brought us facts, which while evidently being known to a few have been kept in the background. The Trenton World has brought out facts in connection with the proposed power bylaw which are quite beyond the knowledge of the ordinary layman. The World has followed the question of franchises not only in Canada, but across the border as well, and has vast mass of information, and the statements given out in The World are worthy of notice.

Government Aids Town.
It was only this week that we learned how the Dominion Government was in favor of municipal ownership of the Town of Trenton. The government values dam No. 2 at \$2 per h.p., and with 3500 estimated h.p. would bring into the town of Trenton \$7000 per annum. They have advised and entreated the town officials to put in a municipal plant, and have given out the warning that if the town gives away a valuable franchise they have themselves to blame and not the government. To stimulate municipal ownership, the Dominion Government is willing to pay back into the treasury of the Town of Trenton \$10000 sixty thousand dollars estimated as a use of \$200 h.p. in the next twenty years. The amount to be paid back to the town treasurer in yearly instalments of \$10000, is conditional on the town putting in a municipal plant and not hand it over to a corporation. Those who have known these facts have been very anxious to stop all competition, and to compel payment of the highest price the customer will stand.

Franchise Perpetual.
At the end of each period of twenty years to pass the proposed franchise is subject to renewal. There are three parties to that renewal, the Dominion Government, the Town of Trenton and the company. If these three parties were even consulted as to the renewal of the franchise for a fair new agreement might be possible, but the bylaw distinctly states that the company have the sole right to renewal of the franchise. This means the town officials have no say, sit down and look on, but have no say. This makes the franchise perpetual.

GRAND NEWS FOR WOMEN

Mrs. E. P. Richards Tells How Dodd's Kidney Pills Cured Her.

After suffering for twenty-eight years from Pains and Weakness and Sleeplessness, Dodd's Kidney Pills the Only Medicine She Wants.

COTTLE'S COVE, Notre Dame Bay, Nfld., Nov. 5.—(Special).—Grand news for suffering women, that Dodd's Kidney Pills, which have been broadcast by Mrs. Elizabeth P.
