Cleghorn Fails to Appear, But Toronto Team Combined to Make Victory Sure-Lock- Ottawa. hart Kept Score Down.

Hamilton, Ont., Jan. 4.-St. Pats of Toronto scored a victory at the expense of the Hamilton team here tonight, when they downed the locals by a score of 5 Preston. the score is hardly a fair indication of in the last two periods, but phenomena work on the part of Lockhart prevented THREE FIXTURES them from running up a score. Only in the first period did the Hamilton team In that period the good work of Carpenter and Prodgers had its effect, and two goals were scored. Coutu notched another one at the start of the second period, but after that the Hamiltons were outplayed and were lucky to hold the score as low as it was.

Hamilton fans expected to see Sprague Cleghorn with the visitors, but he was not among those present; neither was Broadbent, the other Ottawa player, who was awarded to the Hamiltons. Joe Malone, who has decided to play with Hamilton, was not on hand, either, so that neither team can credit new blood with victory or defeat. The largest crowd

before all the people finally managed to gain admission.

The deadly shooting of Babe Dye was in evidence thruout the night, and to his work can go a large share of the credit for the victory. His playing was not as spectacular as that of the others, but it was effective, and he was right on top of Lockhart any time that a shot was made on the Hamilton nets. He scored two of the goals in the last period, and the other three which went to the credit of the visitors were talled by Noble. Wilson and Cameron were other men who starred for the Saints, while Coutu, Carpenter and Prodgers were the mainstays on the Hamilton estimated the context was cood.

The Saints found Lockhart a veritable stonewall in the first period; they had more shots, than the Hams, but the great defence play of Matte and Carpenter was too effective for much close range shooting. The Toronto team furnished somewhat of a surprise, fight two signs shooting. The Toronto team furnished somewhat of a surprise, fight two signs shooting. Both the goals scored by Hamilton were the results of individual rise forms of the six in action in the last form they would not prove serious contenders. The second goal was scored with four minutes to go, Carpenter turning the rise of the six in action in the last first of the six in action i

The Toronto team was getting stronger as the game progressed, and the Hamilton players, with the exception of Prodgers and Coutu, appeared to be unable to stand the pace. Toronto's first goal was scored by Noble, four minutes after the second period started, a rush down the side and a long shot doing the trick. The visitors continued on the offensive, and Lockhart was decidedly lucky to stop two shots from a scrimmage in front of the Hamilton nets. The Saints' second goal was also scored by Noble, 13 minutes after the period started. Noble and Cameron were the best men on the visiting team during the period, and Coutu was the outstanding star for Hamilton. Noble, carey and Randall were handed minor penalties during the period.

SETBACK.

Kitchener, Jan. 3.—(Special.)—Extreme regret is expressed locally over the accident suffered by Snoozer Truschinski at the Areña Saturday night. It is openly admitted here that the loss of Truschinski is a serious setback to the team. Kitchener fans in commenting on the Argos game are somewhat pessimistic. It is thought the locals will be unable to stand the pace, judging from their showing against the Argos. It is feared here that the Kitchener stars are getting a bit old as far as staying powers are concerned. Dick Carroll is reticent.

### FIRST TRIAL FOR **GRANITES TONIGHT**

Trushinski's Condition Is

they nearly spilled the beans on Kitchener.

Argonauts are a dangerous-looking outlit, and Granites will need to put their best foot forward to get the verdict tonight. They will work smoother tonight, and Granites had better keep close watch on Dalton Meeking, or he will score enough counters early to put the scullers on easy street. It looks like a red-hot contest, with both teams well backed.

"Snoozer" Trushinski, the Kitchener player, who received a fractured skull when he fell over Lount on Saturday night, spent a restless day at St. Michael's Hospital yesterday. After supper he quieted down and fell asleep. The hospital authorities reported at a late hour last night that he showed a slight improvement, but that his condition is still very serious.

Trushinski vomited a lot of blood yesterday, and it is feared that one of his
