NEW PICTURES AT NICKEL. And still there is another new phase of motion pictures at the Nickel. This time it is An International Cross Country Run in which trained athletes compete in speed over hills and through dales—a sprightly struggle with plenty of life-action and ever changing scenery. Mrs. Smith's Boarding House will provide most of the hearty laughs, though the Haunted Hotel is sure to be a merry-maker as well. The pictures are good and long, and will make a generous programme in themselves aside from the pretty picture Sunday Morning When the Church Bells Chime, to be sung by Mr. Austin.

The pleasing variety of motion views selected by the Keith people for the people of this city is certain evidence of their appreciation of the liberal patronage being extended the Nickel, and it is given out from headquarters that even better things are to be put on in the future.

B. B. Hardwick, of Boston, is registered at the Victoria.
