

On the 1st February Mr. Andrew McAllister who has for several years so ably filled the position of Secretary resigned, and the vacancy was filled by the appointment of Mr. D. McLaren Brophy.

The Board also desires to thank the members of the Young People's Association as well as the Sunday School, for the financial aid received from both, and last, but not least, the Board wish to recognize the untiring efforts of our esteemed pastor, not only in the spiritual, but also in the temporal work of the church, and hope that he may be long spared to go in and out amongst us, and work with us. His labours, though arduous, have resulted in much good.

The Board wish to recognize the services of the young men who have rendered considerable assistance in the temporal work of the church, in acting as ushers and looking after strangers generally who visit the church from time to time. In this way a good work has been done in the interest of the church, and we have no doubt the young men are benefited themselves according as they take interest in the good work.

The retiring Trustees at this time are Messrs. Charles Byrd, James Harper, A. E. Taylor and William Clelland, Jr., all of whom are eligible for re-election.

The whole respectfully submitted.

THOMAS SONNE, Chairman.

D. McLAREN BROPHY, Secretary.
