## BAD COLD LEFT HIM WITH BRONCHITIS

However slight a cold you have you should never neglect it; if you do it can have but one result. It leaves the throat or lungs, or both, affected. Bronchitis is one of the most common affections of a neglected cold, and neglected bronchitis is the most general cause of consumption.

Dr. Woda's Norway Pine Syrup is just the remedy you require to cure the bronchitis. It does this by loosening the phlegm and mucus, and stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts, and thus prevents it becoming chronic.

Mr. R. P. Sundblad, Francis, Sask., writes: "I had a very bad cold which left me with bronchitis. I tried several cough remedies and oils of all kinds, but they all failed. At last I got Dr. Woda's Norway Pine Syrup and after using two bottles I have never had a sign of bronchitis since. I therefore can honestly recommend it for coughs and colds." "Don't accept a substitute for Dr. Woda's. The genuine is put up in a yellow wrapper; 8 pine trees the trade mark; price 25c. and 50c. Manufactured by The Milburn Co., Limited, Toronto, Ont.

## WENT FOR DAYS UNABLE TO EAT

Sydney Woman Hardly More Than Frame But Tanlac Soon Made Her Feel Fine.

"For the past seven years I have suffered from indigestion and stomach trouble and never found anything to help me until I began taking Tanlac," said Mrs. William W. McDonald, who resides on Prince street, Sydney, Nova Scotia, recently. Continuing she said:

"I had scarcely any appetite at all and when I did manage to force down a little I would find it would sour and ferment and I would feel something dreadful. At times I would also become terribly nauseated when it would be utterly impossible for me to retain a thing not even a glass of water. I finally was in such bad condition I would go for days without being able to eat a mouthful. I could get but little sleep and felt tired and worn out all the time. I had no energy and my housework was simply a burden to me, and most of the time I would cry and leave a great part of it undone. I would have the worst sort of headaches, that would nearly drive me wild. I lost weight until I was scarcely more than a frame and became so weak I thought I would just have to give up entirely."

"One day I saw a statement in a newspaper from a friend of mine in which she told of the remarkable benefit Tanlac had been to her, and this decided me to try it also. Well, when I started taking Tanlac I was so weak I could scarcely get about, but, now, after taking only three bottles, my recovery is simply remarkable. I feel stronger than I have in years and am able to do all my own housework with the greatest ease. My appetite is just fine and everything I eat agrees with me perfectly. These headaches have all gone and I can sleep all night long as peacefully as a child. I have gained in weight considerably, and all my friends tell me they never saw me looking so well. Tanlac is certainly a great medicine, and I am glad to say a good word for it."

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative. (Adv't.)
