

IT WAS LIKE A
RE-UNION ALL DAY
AT THE NICKELBig Crowds See the Opening of
Old Home Week Programme
at Keith's Picture Theatre

It was like a reunion of thousands of former citizens and their families at the Nickel all day yesterday. From the time the doors were opened the merry crowds of back-esters filed into the theatre. The programme provided was a tempting one and elicited much favorable comment. Miss Betty Dunn, lyric soprano, made her bow in a delightful little number called "A Heart That's Free," showing off her pretty coloratura soprano to best advantage. Miss Dunn was particularly well received upon one of her appearances by a large party of Boston folks who recognized her as a favorite at the Bijou Theatre, the smart Boston house. Mr. San Souci was especially funny in his dialect rendering of "Music With My Meals." The pictures will be repeated today for the last time and are: "Missionaries in Darkest Egypt," a Kalem story on the actual land; Biograph's comedy drama "Lena and Her Gossamer," which was the leading role; the comedy being Esanay's scream of screams "The Kismet of the First Quail." Tomorrow the Nickel puts on its great literary feature, "The Lady of the Lake" in three Vitaphone reels. This famous action of Sir Walter Scott's is a fitting companion to Thursday's Vanity Fair.

DISCUSS NEW SCHOOL
FOR DOUGLAS AVENUETrustees Take up Matter—Some
Applications

At the monthly meeting of the Board of School Trustees held last evening, it was practically decided to erect a new school building in Douglas avenue to replace the present inadequate school building there, which must necessarily be done away with being unsanitary and not sufficiently spacious. A committee consisting of the North End members of the board was appointed to look into the matter of securing a suitable site in Douglas avenue, and report at the next meeting.

All the members present seemed favorable to the idea of erecting a new structure. The work will likely be commenced as soon as school closes for vacation in June, 1913.

The following were present at the meeting: Chairman, R. B. Emerson and Trustees, M. E. Agar, M. Coll, C. B. Lockhart, H. Colby Smith, George E. Day, J. V. Russell, D. H. Nae, Mrs. R. C. Skinner, secretary, A. Gordon Leavitt and Dr. H. S. Bridges.

For Positions.
Applications for positions on the teaching staff in the city were received from Miss Anna C. Kelley, Ethel B. Cole, Bessie E. Knowlton, Margaret Burgess and A. A. Hanebery, B. A., also J. A. Edmonds. The several applications were referred to the teachers' committee.

The resignations of Miss Daisy A. Bell, Miss Marion E. Moore, and Hugh A. Carr, B. A., C. C. L., were received and accepted. Mr. Carr, who was on the High School teaching staff, will practice law in Campbellton, after being admitted an attorney in the fall.

The board decided to pay Miss Bessie E. Holder a balance of \$30.82 which the government did not think she was entitled to as the manual training school, where she taught was closed for a period. The board accepted the responsibility of the school being closed.

B. E. Davis wrote asking payment for three windows broken by boys of Centennial school.

It was agreed to pay Henry Town, in consideration of his long service, a pension of \$20.00 to be paid monthly for ten months.

It was decided to request Miss Grace Murphy, who for five years has been enjoying a pension from the board, to make application for a government pension.

The report of the buildings' committee, recommending the accepting of the tender of Coughlan & Co., at \$25 for leveling the boilers and making the leaks tight in Dufferin school and the tender of R. P. & F. W. Starr for the supplying of hard and soft coal, were received and adopted.

The finance committee reported that Col. E. H. McLean, M. P., and C. W. McDonald asked to purchase lots under lease. The matter was referred back to the committee to make certain inquiries.

The secretary reported that \$201.38 was deducted by the chamberlain, from the June assessment, to pay the taxes of teachers and the employees.

ST. JOHN ESCAPES HEAT WAVE

St. John had the good fortune yesterday to entirely escape a great heat wave which swept over the country. The local temperature only went to 74 and there was a pleasant breeze all day. In Halifax the official record showed a maximum of 93.9, the hottest in eight years. The temperature of Moncton also was up to 93, and in New York the official thermometer showed 92 degrees. The humidity was excessive and scores of prostrations were reported. The weather bureau predicts a continuance of the heat wave for some time.
