perty of mine is left for her sake, and that you will take eare she gets what her poor old mother may leave her. I put her life, her honor in your hands. She is (seel how fondly low his voice became) a delicate little creature— her chest is often affected; she must keep the diam and rings ber mother gave her, I should be so glad; but, of course, if the money is needed, they must go. My poor Laurette-how pretty she look.

It was getting too much for me, and I began

to knit my broos.

One word is as good as a thousand, said I.

We two understand one a other. Go to her,
Isqueezed his hand; he looked wisifully
at me, and I added? Stav a moment, let me
give you a word of advice. Don't say a word
when along it. We will set be the thing for to her about it. We will set be the thing for her; be easy; that's my bu ine-s. It shall

be runninged in the best manner.

Yes, said I, don't behave like a child, much better, much better. No leave-taking, if you can help it, or you are lost.

I kept my seat. I saw them walking arm

in arm upon the dock for about h If an hour Ah! soil he, I dil not understand; yes, much beside this leave-taking! this leave-

I called the mate to me, and he had read the later, I said:

Garley, this is had business-bad business I put it into your hands. I obey the orders but I remain in the cabin till it is over. How do you will the thing done? he asked

chalent manner. Take him out in a boat, out of sight do it as quick as possible, don't say anything of till the Garley sat five minutes looking straight at

Part them! part them this instant! Part them—curse the Bepublic—curse the Directors! I quit the service! curse the lawyers! he had promised, of the qualifications, meetings, nominations, &c., in the Church presentation, Hon. Mr. Hazen of St. John is reported to have said that he approved of the course the Government had taken, and that A debate took place in the Council on the he felt that the road could be built; he then power press for its publication. All night long I heard the moanings on Lumber, which affects the interests of a certainty in view it was of much less consecutive almost spontaneous movement on the part of quence to St. John where the Intercolonial our merchants and leading men of business, it railway was located! He believed however has been agreed to ask the Legislature for an om the official Reports.

The Council went into committee on the Sill, Hon. Mr. Robertson in the chair.

The Mr. Claybertson in the chair.

The Mr. Claybertson in the chair.

The Mr. Claybertson in the chair. Hon. Mr. Chandler.—There may be some doubt what the term "Government of Canada" means in this bill. After the Ist of July the present Government of Canada will not be in existence and perhaps the meaning to be in existence and perhaps the meaning to the legislature is not considered to the legislature in the decision arrived at by the Government is to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount of \$300,000, pro to take stock to the amount should be more definitely stated, it is, I preto the city I made all arrangements, and took
the steamer for New York. I placed ample
funds in the hands a trusty friend and told
him to send Laurette to me at the end of six
mooths; I could not see her until grief had
lost its edge.

Weary, careless of any fate, I wandered in
to the interior of the State of New York, and
winder the present arrangement. I have no Weary, careiess of any late, I wandered in to the interior of the State of New York, and finally bought a little place, where I hope I liced something in some of the papers relative provincial field altogether having scarcely provincial field altogether having scarcely very men who found fault with their prede road to Winn in Maine, is it at all likely that in such embarrassed circumstances they will finally bought a little place, where I hope I should lie down and die.

I sent for Laurette. Poor bird, I must see her. I could wait no longer.

One summer night I sat in the porch of my house, smoking my pape and gazing down the was the difficulty of secongaring the lumber that large the reason given for the exemption of St. Stephen is exempted by ALEX. McEver. For particular, in such embarrassed circumstances they will attempt to build across the State to the boundary line? Western Extension in this product a large that large the large that altered to doing away with pilot and other dues on close the main such embarrassed circumstances they will attempt to build across the State to the boundary line?

One summer night I sat in the porch of my house, smoking my pape and gazing down the was the difficulty of secongaring the lumber that I having except the form of the mough wherewith to finish their or lear way allons of whiskey to doing away with pilot and other dues on close the only the supposed to doing away with pilot and other dues on close the oding and by Auction, the House and Lot on Water Street, at present occasions for Her Majesty's Troops!

One summer night I sat in the porch of my house and barn of Mr. G. R. Athere was the difficulty of secongaring the lumber that it altogether laving the way of June ext, at I were were men who found fault with their predectory to doing away with pilot and other dues on close the oding and providing a few gallons of whiskey to do doing away with pilot and other that many the down and die.

Secong the matter at altogether laving and summer having a large that altogether laving the matter at altogether laving and summer having a large that altogether laving to do doing away with pilot and other that many the doing away with pilot and other for the way allons of whiskey to do doing away with pilot and other for the was all of the was all of the secong the matter at the providing a few gallons of whiskey to do doing away with pilot and other for the was allouded to one One summer night I sat in the posch of my house, smoking my pipe and gazing down the road. Soon the rumble of carriage wheels was heard, and the stage halted.

The next moment a pair of white arms were around my neck, and the heart of sobting Laurette was on my boson.

Oh, you dear excellent Captain—
Henvens! who is that behind you?
There stood the fine manly form of Antoine Hindsclear, the convict.

What does this mean? I demanded, hardly knowing whether I was dreaming or awake.

In Charlotte County are subject to R. On the Amer can man was subject and I state that as the St. Stephen reason given for the exemption of St. Stephen as the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Croix and ascertaing was the difficulty of separating the lumber that floated down the St. Stephen was the difficulty of separating the lumber that the street interaction with the lumber. Last view lumber. I see the season of the family of the intersection with the intersection with the intersection with the intersection with the inters Are you glad to see me?

Thank God! thank God! was all that I be put on the same footing. It was argued by but, we repeat, of the first provision there is an honorable gentleman, now not in his place no absolute certainty, while the Government is an honorable gentleman, now not in his place no absolute certainty, while the Government is an honorable gentleman, now not in his place no absolute certainty. through the means of such a tempting offer; the past thirteen months. had read my heart better that I did myself.—
After leaving the brig, in the boat, he arranged the whole affair. The volley was fired, but to bullet touched. Agreement to consider is: why should lumber be example as a Gorgon transfer of the road should altimately be constructed to consider is:

J. E. Boyd, Esq., Government Engineer, has been in Woodstock the present week, officially inspecting the work on our Railway.

We are pleased to hear Mr. Boyd speak in such flattering terms of the character of the work of construction is being carried on.

Est John, having been cut by American citizens at St. John, goes into the United States market free of duty. A merican territory, and manufactored by American citizens at St. John, goes into the United States market free of duty. A meighbor of mine—Zachariah Adams, shippers—to invoice their lumber at 40, 20 and 16 dollars. I may here state that it is the practice of American residents that it is the practice of American residents at St. John—especially of two of the larger Nestorian, at Liverpool, which vessel lately arrived at Quebec, and when between Liverpool and Derry she discovered a former husband on board, and was so seized by remorse that she sprang over the side, and was at once lost to view. The vessel was hove to, and the largers most unreasonable and ungererous.

It seems most unreasonable and ungererous. In the evening, Lieut. Hall of the Battery, ento the commenced forthwith.

In the evening, Lieut. Hall of the Battery, ento the commenced forthwith.

It seems most unreasonable and ungererous, that while in every other market they are on Hall, who enjoyed themselves until early morn, Consols 94.

the same footing, British shippers of lumber to the United States must neet a duty of 20 percent, while American lumber shipped from British ports goes in free.

Hon, Capt. Robinson.—I think there is a bill in another place which provides for the repeal of the law exempting lumber at the port of St. Stephen, or for making such an amendment as will make all the ports alike in this matter. While I think by the bill before before us we jeopardise our interests, still we dock within a few rods of the mills.
