Steamship Eastern City destroyed by fire at soa on the 21th August. All the crew with the exception of one engineer and one passenger saved by the ship Merchantman, which since arrived at the Cape Fown.

WARNING TO THE UNACCLIMATED.—The New Orleans Courier relates the following limited.

We learn from the Boston Traveller that the Sunday Schools in Massachusetts are stended by the following number of scholars:

The public voice has at length proved potential with the Executive, the government which has exist. and of the present of the sunday Schools and St. 1000; Episcopal, 6000; Universalist, 11,000; Swedenburgians, 514; Christian, 4000; Freeducting in the sunday of which number 200,000. Total, 210,000."

The number of Chistian slaves at the South is four hundred and sixty eight thousand; of which number 200,000 are Methodists; 175,000; and 38,000. Presbyterians (including the old and new schools).

The prize money to be paid to the minitary in India is enormous, almost incredible, and shown and a many schools.
