LORD MORLEY

ADDRESSES IMPERIAL

That Defence Means

Defiance.

London, June 10.—The final meeting

the Imperial Press Conference was

held to-day, when the subject of "Lit-

erature and Journalism" was discuss-

ed. Lord Morley, secretary for India

ferentiate him from the newsboy shout-

ing scareheads. There was a vast improvement apparent in journalism and

press had its share in the general

forces which were bringing about the

Lord Morley put forth the claim

that the English tongue was a stronger

union than anything else; a thousand

times stronger than the achievements of soldiers and sailors and statesmen

who had directed them. "I known of no

more stupendous and overwhelming fact," Lord Morley said, "than the su-

preme dominance of the English tongue

the west and the acient worlds in the east." Referring to what he called the

"rebarbarism of Europe, the rattling

back into arms and the preparations to

heard in the course of the conference, Lord Morley said he thought the press

was more answerable for this than all

taken together, and he pleaded for a systematic and persevering work on the part of newspapers in behalf of

Winston Churchill.

Winston Churchill, representing the lvanced Radical section of the Cab-

erence upon its wonderful self-com-

Armageddon. He wound up in striking ontrast with the speeches of Rosebery

Grey, McKenna, and Balfour, by in-sisting that the fournalists duty was to allay, not inflame, international sus-picion, and to encourage belief in the atterdependence of nations as comrades

and brothers. He reminded the press-

between nations, and hatred and sus-

> APPOINTMENTS MADE BY THE GOVERNMENT

attended him until he was taken to the George Thomson of Victoria Made Agent at Nanaimo.

> (From Friday's Daily.) This week's Provincial Gazette contains notice of the appointment of George Thomson, of this city, as government agent at Nanaimo. Mr. Themson has had a long experience in the civil service. While a government agency existed at Ladysmith he filled the office, coming from there to the assessor's office in the parliament buildings in this city. The illness of Marshall Bray, government agent at Nanaimo, has necessitated his retirement, and Mr. Thomson, who is well acquainted with the work, has been ap-pointed to the office. He has for several months been filling the office. In addition to being government agent he will fill the following offices there: Gold commis-sioner for the Nanalmo mining division; assistant commissioner of lands and works, registrar under the "Marriage deaths and marriages, registrar of voters for application to register under the "Land Registry Act." The appointment dates from the 1st day of June, 1908. for the Nanaimo city electoral district; clerk of the peace for the County of Na-naimo; recording officer for the Newcastle cattle district, and receiver of fees.

> Other appointments are as fellows:
> John Cartmel, of Atlin, to be mining recorder, district registrar of births, deaths and marriages; and registrar for the puroses of the "Marriage Act" for the Atlin Lake mining division; registrar of voters for the Atlin electoral district; clerk of the peace for the county of Atlin, and

corder, to be gold commissioner for the Similkameen mining division, in the place of G. C. Tunstall.

liams, of Prince Rupert, barrister-at-law. Alfred C. Nelson, to be acting govern-ment agent at Cranbrook; acting commisment agent at Cranbrook; acting commissioner of lands and works, acting water commissioner, acting registrar under the "Marriage Act," acting registrar of births, deaths and marriages for the southern division of East Kootenay; acting gold commissioner for the Fort Steele mining division, and acting registrar of voters for the Cranbrook electoral district, from the 15th day of June to the Sth day of June to the Sth day of June to the Sth day of June 1909 during the absence.

Harry Anderson, Trail, James M. Farrall, Slocan City. Chas. A. Mix, Grand Forks. Jas. B. Wood, New Alberni, H. M. Beadnell, Cowichan Lake, J. W. Grieve, Cumberland, Allen McLean, Vancouver. F. D. Markland, Vancouver. J. Drainey, Vancouver. R. M. Pallatt, Vancouver. Wm. H. Smith, Vancouver, Arthur T. Kennedy, Vancouver.

COMMAND OF SEA

IS THEIR OWN DEFENCE

Lord Beresford Thinks Time Has Arrived to Dispense With Word Colonies.

delivered a striking and important that these eight battleships will be sufbusy man in harness as he has also speech, of which a brief cabled sum- florent for the feet you will have to

pressing engagement on his hands for lows: would be very wise to get representa-tives from the different Dominions to come over here and discuss the naval question from their point of view. The ber of commerce. Ne matter how seritainly in the minds of the Dominions,
because they had come forward and
had shown us over here that we were
getting a bit sleeny. We were not
looking facts in the face. The Dominilooking facts in the face. The Dominions had come for the face of commerce. Ne matter how serious the question might be found, there
is no necessity for panic. I want my
countrymen to wake up and look facts
in the face. I want them to put themselves in such a position that war with
them will be impossible." (Cheers.) lons had offered to send a certain sum of money home for Dreadnoughts. erefore the lead had been taken by RHODES SCHOLAR the Dominions, which were going to impress on Great Britain and Ireland that the necessity of an adequate flect for defence was of paramount import-

ance. (Cheens.) "Well, now," he went on "the first Selection Made for This Year object in this question of Imperial de-fence is, in my mind, to sit down and think how best we can help each other. (Cheers.) My view is this—that all the great Dominions could heat help us by making proposals for defending them-selves. A baiffeship by itself is not of very much use. Imagine there was a war; imagine that the Dominions' battleship was in these waters, and that the danger that will occur to the Do-

the danger that will occur to the Do-minions does occur—that is, the ques-tion of their trade routes being cut. I do not think it would add to the sym-pathy of these Bominions if, after nav-ing paid this large sum of money, the money was defending the shores of this country. That might provoke recrim-inations and disappointment. The idea of having torpedo-boats and submar-ines in the Dominions would not carry out the object, for, of course, in these days when we go to war it is most un-likely that the cruiser of a foreign country would go to the Dominions and

collector of revenue tax for the Atlin always adopt. (Cheers.)
