The Puime Minister returned that a otes on account were sanctioned.

A supply bill for a sum of \$9,500,000 tical and common-sense arrangement.

Redistribution. Mr. Clarke Wallace only secured his right to speak on the redistribution bill through the unanimous consent of the House, having technically lost that right through having moved an adjournment of

the debate some time since. In opening, Mr. Wallace announced efeat was charged by the Minister of hought, be justified in relegating this bill back to the men who prepared it till af- government and dropped when it can do er a census has shown what changes are it any hurt. The principle of county

A Government Champion. Mr. James McMullen, (North Wellingmade such statements as had just been stened to by the member from West term. York. It had been a dark day for Canada when the gerrymander was introluced into Canadian politics. The government of to-day acts in virtue of a Bruce) mandate from the people to correct and repeal this most unjust and unfair gerrymander of 1882, which had aimed at ying the hands of the Reform party. he sat in parliament by this gerrymander. ture, and he hoped that the measure brough its several stages.

Mr. Clancy (Bothwell) whose constinency is one of those wiped out by the resent legislation, felt that Mr. McMuln's stand was largely influenced by the usideration that the rearrangement uld prove to his own interest. He allenged that honorable gentleman to iven out of his seat by the Conservave redistribution. In 1882 he calculatthat of the forty-eight constituencies ffected by the present bill, the aggreate vote had been: Liberal, 78,473; and diservative 72.309. Thirty-two of vative, yet on his majority calcula-Mr. Mulock figured that the Libshould have had 36 seats. His calition on the total vote cast showed t the parties should have been repreted by 25 Liberals and 23 Conserva-

calculation, the Conservatives should have had twelve seats instead of three. From these and other considerations he Parliament denounced the government's position. In the districts affected by the present measume there were 21 Conservatives and 22 liberated man. Liberals elected previous to the redistribution of 1882, while after it there party had therefore been the gainers by

the bill of 1882. The Minister of Customs replied that this was true in part and was due to the fair minded opinion of the people of Can-ada, who appreciated the injustice that had been aimed at the Reform party. He had himself been elected largely through Conservative votes. Mr. Clancy repeated his challenge for

the government to name a single case in which Liberals had been wiped out by The Minister of Customs accepted the hallenge, and instanced the case of Mr.

Sir Richard Cartwright-Centre Huimprobable that the discussion can ron, for which I sat was wiped out.

John Ross Robertson. not turn out at all to their advantage. Mr. Robertson cited instances in support of that proposition. He did not respect any government which played the game When the House opened Mr. Foster of politics with loaded dice and in this ked when the government would be connection remarked that he had no more to lay the supplementary estimates respect for a government which loaded the dice and then called on a commission tives.
