### LARACHE VICTIMS NOW

ESTIMATED AT 38

Twenty Three Bodies Recovered from  
Wreck—Captain Shared in Panic  
and Jumped Overboard

COBLENZA, June 25.—Up to a late  
four bodies had been recovered from

the wrecked steamer Larache.  
The survivors tell of harrowing  
scenes that followed the sinking of the  
steamer. The captain, suffering from  
rheumatism, left his bunk and rushing  
on deck, leaped, half naked into the sea.  
He was washed ashore in an unconscious  
condition.

According to the latest information  
the Larache carried only 32 in the  
crew and 49 passengers, all of whom  
have been accounted for with the ex-  
ception of 23.

Mrs. Barker, wife of Principal Bar-  
ker of St. Martin's High School, is vis-  
iting at Fredericton.

## End of the Month Sale!

The great amount of high-grade merchandise thrown out  
for clearance, and the comparatively short time in which we

TIONS in price. Business conditions make it imperative for  
us to reduce stocks, and the prices must aid us in this—our  
earnest desire to cut stocks down to a minimum. Every price  
will be a fresh proof of a positive saving. Your dollar will  
almost have double strength here. So here is the store now for

### NELSON SIGNAL

ENTIRELY WRONG

LONDON, June 25.—Dr. Macnamara  
made the interesting announcement in  
the House of Commons that the Ad-  
miralty intended to change the flag  
now used on board the Victory to re-  
present Lord Nelson's famous Trafal-  
gar-day signal.

It will be remembered that a few  
weeks back the Admiralty librarian  
made the remarkable discovery that  
Nelson is being grossly libeled. His ce-  
lebrated signal "England expects every  
man to do his duty" has been render-  
ed by a combination of flags to mean  
"Advance America."

Dr. Macnamara stated yesterday that  
the signal book which had been un-  
earthed had made it clear in the opin-  
ion of the board that the flags used

down to 1858 correctly reproduced Lord  
Nelson's signal.  
"The alteration made at that time,"  
he added, "appeared to have been un-  
warranted; hence the reversion to the  
older and correct flags."

### SINGER'S TOUR

BRINGS \$250,000

LONDON, June 25.—Miss Clara Butt  
and her husband, Kennerley Rumbold,  
have arrived in London on the return  
from their Australian tour.  
In an interview Miss Clara Butt  
said: "We have been away eleven  
months, during which time I have sung  
at seventy-two concerts, although it  
was originally intended that we should  
give only twenty-five. We have worked  
very hard and had a great deal of  
travelling, but then every one was so  
kind. Really, we have had a royal  
time, and have been most hospitably  
entertained. Addresses of welcome  
have been presented us galore, and in  
most of the towns we were officially  
received by the civic authorities."

The biggest audience, continued the  
famous singer, was at Melbourne,  
where she sang before 15,000 persons.  
It was the last concert of the tour. The  
total receipts amounted to \$250,000.

which she understands is the largest  
sum ever earned by singers in Australia.  
The audiences were very enthu-  
siastic, and were evidently keen lovers of  
music. "In fact," said Miss Clara Butt,  
"I think they are more critical than at  
home. One thing that struck me was  
the general demand for good music.  
Two charity concerts were given by  
the party, at Sydney and Melbourne,  
and each resulted in a sum of over \$1-  
600 being handed over to the local char-  
ities."

During the homeward voyage on the  
Mongolia Mm. Butt and her husband  
sang at a concert when the vessel was  
in the Mediterranean. There were  
about 500 present, and \$500 was collect-  
ed for the Seamen's Orphanage Fund.  
Miss Clara Butt reappears on the  
London concert platform on June 27.

### MANY KILLED IN WRECK ON RAILROAD IN INDIA

BOMBAY, India, June 25.—In a col-  
lision between an express and a freight  
train on the Bombay and Baroda  
Railway near Baroda today, a number  
of persons were killed. It will be im-  
possible to estimate the loss of life un-  
til the wreckage has been cleared  
away. Four passenger coaches and four  
mail cars of the express train and four  
cars of the freight train were burned.

### MEXICAN TOWN WAS

ATTACKED BY BANDITS

Two Hundred Captured the Place and  
Did a Lot of Damage to  
Property

LAREDO, Tex., June 25.—Two hun-  
dred armed mounted men today attack-  
ed and captured the town of Viesca,  
State of Coahuila, Mexico. Three per-  
sons were killed and several were  
wounded in the fighting. Telegraph  
wires were cut and the railroad lines  
torn up and a bridge burned. Three  
train loads of troops left the City of  
Mexico tonight for the scene and one  
train load of soldiers is also to leave  
Saltillo, the capital of the State. Re-  
ports received here are to the effect  
that the government believes the at-  
tack was made by bandits. The vice-  
president of the republic and the se-  
cretary of war and interior, it is said,  
deny that the trouble has any political  
significance. Some reports received here  
say the outbreak is the starting of a  
revolution.

### SUFFRAGETTES WILL MAKE

ANOTHER BIG DISPLAY

Will Lay Siege to House of Commons  
and Hold Up Premier Asquith

LONDON, June 25.—Convinced that  
their recent tactics have failed to per-  
suade Premier Asquith to accelerate  
the legislative machine in their favor,  
the suffragettes project another novel  
demonstration next Tuesday with a  
view of exerting further pressure. While  
a deputaion will seek an interview  
with the prime minister it is the in-  
tention to surround the House of Com-  
mons with a cordon of suffragettes  
which the leaders predict will number  
100,000. It will be a peaceful gathering,  
however, and no attempt will be made  
to force an entry into the house.

### BARRING HIM OUT.

"I haven't heard of you going out to  
Subbino's to dinner lately."  
"No," he says. "I can't do that any  
more."  
"Why, I thought you were his close-  
est friend. What's the matter?"  
"He tells me their cook doesn't like  
me."—Philadelphia Press
