## A MADMAN TO HAY FEVER

### "Fruit-a-lives" Cured After 15 Years' Suffering

November 27th, 1911  
Cornwall Centre, Ont.

"I was a martyr to Hay Fever for  
probably fifteen years and I suffered  
terribly at times. I consulted many  
physicians and took their treatment  
and I tried every remedy I heard of  
as being good for Hay Fever but nothing  
helped me.

The remedy of "Fruit-a-lives" and  
decided to try them, and I am thank-  
ful to say that this remedy cured me  
completely.

I wish to say—"Try Fruit-a-lives." This  
medicine cured me when every other  
treatment failed, and I believe it  
is a perfect cure for this dreadful  
disease—Hay Fever."

**Non-suit Ordered.**  
In the Fairville court yesterday  
morning William Nixon was sued by  
Oscar D. Hanson on a promissory note  
of \$107.57. The note stated that it  
should be paid in partial payment of  
\$2 each. There was no specification  
as to when the payments should be  
made. A. Barry appeared for the  
defendant and secured a non-suit on  
this ground and also that if the  
plaintiff sued for the entire sum the  
Fairville court had no jurisdiction  
over the case.

port as to the facilities for storing

connection there are rumors of other  
extensive improvements in the vicin-  
ity.

nard Barry, charged with being drunk  
and using profane language, and also  
with assaulting Officer Lugas, was

The committee in charge of the Old  
Home Week celebration has sent out  
letters to owners of automobiles in the

is expected there will be at least 500

Eastern Canada.

A Short Lived Strike.  
Sussex, June 26.—Demanding nine

ing. The employers refused to yield to

while on Tuesday, but today the work  
is going on as usual.

an advance in the prices of ready-
