"BETTY", OWNED BY MISS ROSS, PROVES BEST ALL ROUND DOG

The dog show, which was held under the auspices of the New Brunswick Kennel Club at the exhibition, finished last night and the members were delighted that the show went through so smoothly and proved the most successful that has yet been held in the eastern provinces.

The best dog in the show of any breed proved to be the pointer bitch, "Betty", entered by Miss Winifred Ross, who defeated J. C. Hanna's Irish setter, "Shamus O'Brien." LeB. Wilson's wire haired terrier "Brier", is also a champion, and the owners of these dogs have good reason to be proud of them.

Another champion that has been made in this show is the cocker spaniel, "Sir Bonnie Kelse," owned by L. W. Lehrle. These dogs with E. Alban Sturdee's Corey Law, makes a number of champions in the local show. The work of the judge, Charles H. Mason of Port Washington, U. S., has proved very satisfactory.

Best Boston terrier in whole show—Mrs. LeB. Driscoll, Driscoll's Spider, silver cup.

Best Airedale terrier in whole show—H. A. Rutley, Montreal, Colne Express Order, silver cup.

Best fox terrier in the whole show—G. S. Jackson, Elmore Ruler, silver cup.

BEAVERS TAKE TWO GAMES FROM MILO

Brownville, Sept. 7.—The C. P. R. Beavers got back into old time form today defeating Milo the league leaders, in two fast games. Both James and Fischer for the Beavers pitched eight edge ball, each allowing only five hits, and were each entitled to a shut out game. Milo not scoring an earned run in either game. The Beavers hit hard and often finding Fowles in the morning for 9 safe hits and winning the game in the 10th inning by heavy hitting with only one down.

Frank O'Toole, brother of the famous Marty O'Toole, pitched for Milo in the afternoon and was found for 12 hits.

Milo was regarded as the best ball team in this section of the State, being composed entirely of professional ball players, including five men from last year's Boston Reds team.

This makes five consecutive league games won by the Beavers and moves them from last to second place in Piscataquis County League, which stands as follows:

Wash your clothes with GOLD DUST

Good soap washes clothes well—if you use enough elbow grease, but Gold Dust washes them more thoroughly—and with little or no rubbing. Gold Dust saves half your time, and spares your poor back.

Another great advantage of Gold Dust—use any kind of water you like. Gold Dust softens the hardest water and makes it soft as rain water.

Gold Dust is just a vegetable-oil soap in powdered form, with other cleansing ingredients added to make it work more thoroughly and quickly than soap ever can.
