TOY SHE DEPORTED TO YARMOUTH, N. S.

Chinese Woman and Youth She Calls Son Not Allowed to Stay in Boston—Landed There Jan. 9.

Boston, Feb. 21.—Toy She, a Chinese woman, aged 30, and Wong Yit Hen, 17, whom the woman claims is her son, were deported by the immigration officials following a hearing before the board of special inquiry. The woman and boy came from China, landing at Vancouver, and crossed the continent to Yarmouth, N. S., whence they arrived in Boston Jan. 9.

The woman said she came to Boston to join her husband, Wong Sing Lee, a resident of Chinatown, and a naturalized citizen. She could not establish her claim to the satisfaction of the immigration inspectors and subsequently to that of the special board.

IF FOOD DISAGREES DRINK HOT WATER

When food lies like lead in the stomach and you have that uncomfortable, distended feeling, it is because of insufficient blood supply to the stomach, combined with acid and food fermentation. In such cases try the plan now followed in many hospitals and advised by many eminent physicians of taking a teaspoonful of pure bisulphate of magnesia, in half a glass of water, hot as you can comfortably drink it. The hot water draws the blood to the stomach and the bisulphate neutralizes the acid and tells you, instantly, that the food fermentation has stopped. Try this simple plan and you will be astonished at the immediate feeling of relief and comfort that always follows the restoration of the normal process of digestion. People who find it inconvenient at times to secure hot water and travelers who are frequently obliged to take hasty meals poorly prepared, should always take two or three five-grain tablets of Bisulphate of Magnesia after meals to prevent fermentation and neutralize the acid in their stomach.

ARE YOU HELPING?

Send a contribution to the Associated Charities, either to Miss Grace Robertson, 133 King Street East, or E. G. Nelson & Co., King Street. Demands have been exceptionally heavy this winter and funds are needed. One dollar entitles you to membership.

Kindergarten Tag Day, Feb. 26th.

CHILDREN'S AID SOCIETY MET LAST EVENING

Meeting Largely Attended—Strong Building and Furnishing Committees Appointed—Society to Occupy New Quarters May 1st.

There was a large attendance at the meeting of the Children's Aid Society last evening when strong building and furnishing committees were appointed and if the plans succeed the society will be able to move into their new shelter at the foot of Garden street on the first of May. The committee appointed will start work immediately and rush the preparations. The building committee will have advice of G. Ernest Fairweather, architect, Edward Bates, contractor, and Dr. George G. Melvin, a child health expert. The new shelter will be in the large residence owned by James E. White estate and will prove a most suitable home for increasing work that is being carried on by the society. It is a very solidly built structure of three stories, with a basement the whole size of the house. It is in splendid condition and not a sign of damp in it. There are twenty-four rooms. It may be necessary to install a new heating plant, and new plumbing will be put in from top to bottom. The whole house will be wired for electric lights and any other alterations necessary will be considered.

The president of the society, A. M. Beldins, was in the chair last night, and those present were: Mrs. Tennant, Mrs. Doody, Mrs. Anderson, Mrs. McKeown, Mrs. McLellan, Mrs. Secord, Miss Pratt, Miss Grace Robertson, Mrs. Nell McLaughlin, Rev. H. A. Goodwin, Rev. S. S. Poole, Rev. W. M. Duke, Messrs. T. H. Estabrooks, M. E. Agar, James Patterson, J. King Kelley, G. Ernest Fairweather and Dr. Melvin.

There was some discussion of plans, but it was agreed that the best plan was to appoint a committee to take the matter of necessary work on the building into consideration and report back to the next meeting to be called by the chair. The following building committee was named: Mrs. D. McLellan, Mrs. H. A. McKeown, Messrs. Estabrooks and Agar with the president, secretary and Messrs. Fairweather and Bates with Dr. Melvin. Mr. Estabrooks is the chairman of this committee. The president also appointed the following ladies a furnishing committee with power to add to their number: Mrs. W. Tennant, Mrs. Fred Anderson and Mrs. J. H. Doody. At the conclusion of the business the president made a few remarks in which he dwelt upon the important forward step being taken by the society in the care of the children in the city. He was glad he said to see the manifest interest of the members in the work and he had no doubt that with their aid the society would be a tremendous power for good in the community.

Rev. Father Duke followed and congratulated the society on the fine property they had acquired for the purposes of their work. He paid a fine tribute to their work of the president, referring to the task of the newly appointed committee he said that he was sure that those in charge of the Catholic institutions of the city would be willing and eager to help all their co-workers where their experience would count.

WEDDINGS

Griffiths-Furlong.
Many in this city will be interested in a wedding which took place on February 9 in St. Michael's church, East Boston, when the parish priest, Rev. Fr. O'Neill, united in marriage Miss Edith Griffiths and A. G. Furlong of Boston. The bride wore a pretty costume of fawn broadcloth and hat of corresponding shades, and carried a bridal bouquet of cream roses. They received many useful and valuable presents, showing the popularity of both bride and groom. Mr. and Mrs. Furlong will reside in East Boston. **Burnett-Mainville.**
A pretty wedding was solemnized Wednesday evening at the home of Mr. and Mrs. James Burnett, 118 Lancaster

street, West St. John, when their son, Corporal John A. Burnett of the Depot Battalion, was united in marriage to Miss Alice Mainville of Grande Ville, Gaspé, Quebec. The ceremony was performed by Rev. W. R. Robinson, pastor of the Ludlow street Baptist church. The bride was becomingly dressed in a blue silk dress with hat to match. Miss Maud Burnett acted as bridesmaid. Corporal and Mrs. Burnett will reside on the West Side.

OBITUARY

Mrs. Agnes Carroll.
The death took place at an early hour yesterday morning of Agnes, wife of Mr. Miles Carroll, at her residence, 43 Garden street. She was a daughter of late Peter and Mary Tomney, of the North End, and at one time was a valued member of St. Peter's parish and also of the A.O.H. Auxiliary. Besides her husband one child and one sister, Miss Mary Tomney, survive. The funeral will take place Sunday afternoon at 2:30.

John Knox.
The death took place this afternoon, at his residence, corner Queen and Sydney streets, of John Knox. A son of the late Mr. James Knox, he was long associated with his father in the ship chandlery business, and continued it after his father's death. Mr. Knox has been in declining health for some time. He was about fifty years of age. A sister, Miss Marion, and a brother, Richard, in the customs house survive. Mr. Knox had many friends along the water front, who will hear of his death with regret. The funeral takes place from the late residence at 2:30 o'clock tomorrow afternoon.

Mrs. Margaret Corey.
Butternut Ridge, Feb. 21.—The death of Mrs. Margaret Corey of New Canada, Queens Co., occurred on Wednesday, Jan. 16th. Mrs. Corey was the widow of the late Abraham Corey, whom she survived only a few years. She had been in feeble health for some months though there had been marked improvement more recently. The deceased however was stricken with pneumonia and succumbed in a few days.

The funeral took place on Saturday, Jan. 19th, services at the house and New Canada Baptist church being conducted by Rev. W. H. Johnson. Four sons, Seldar, Oran, Freeman and Mark, and three daughters, Mrs. James Roach and Mrs. Thos. A. Perry of Amherst, and Miss Leona of Canaan mourn their loss.

Mrs. James Ingridge.
Shediac, Feb. 21.—Mrs. James Ingridge, widow of James Ingridge, a highly respected resident of Shediac, West, died on Tuesday morning at the home of her son, former Councillor Alvin Ingridge, in the 81st year of her age. She is survived by five sons and two daughters. The funeral will be held tomorrow afternoon at 2 o'clock; interment in Greenwood cemetery.

took place yesterday morning from her late residence, Somerset street, to Holy Trinity church, where requiem high mass was celebrated by Rev. J. J. Walsh. The interment was made in the new Catholic cemetery. Relatives acted as pall-bearers and there was a large attendance of friends. Many floral tributes testified to the sympathy felt for the bereaved family.

How You Can Remove Every Trace of Hair

(Toilet Talks).
A stiff paste made with some powdered delatone and water and spread on a hairy surface about two minutes will, when removed, take every trace of hair with it. The skin should then be washed to free it from the remaining delatone. No harm can result from this treatment, but be sure it is delatone you get and you will not be disappointed.

JOE BENZ HAS PNEUMONIA.
Chicago, Feb. 21.—Pitcher Joe Benz of the White Sox, is recovering from an attack of pneumonia at his home here. Physicians stated today that he probably would be able to make the spring training trip.

"WE RESCUED A FEW SURVIVORS"

Such, in substance, is the almost daily report following a disaster at sea. DAY AFTER DAY the daily press tells of vessels lost at sea; of the terrible toll of life taken in such disasters; of boats being smashed and the crews lost; of life rafts capsizing; of life belts and life preservers being either useless or unavailable in the hour of need.

IT HAS BEEN A CONTINUOUS TALE of loss of life at sea, ever since the navigation of the seas became practicable because the only known means of saving life in a sea disaster were too inadequate.

ALL THIS IS CHANGED and it is due to Canadian genius that the perils of sea travel have been reduced to a minimum. Here is the solution of the problem.

The words S. O. S. on each garment mean what the invention guarantees—Safety At Sea. The picture shows Mr. LePage, the inventor, and two others, one a girl 19 years old and the other a boy of 9, attired in S. O. S. Suits. It is a one-piece garment and covers every portion of the body but the face. In this suit

YOU CANNOT DROWN, YOU CANNOT CHILL

And You Can Adjust It Yourself in less than a minute. And You Can Carry Nourishment for, at least, four days.

These suits are now being manufactured in Canada by Safe on Sea Limited, a company incorporated under Dominion Companies Law. It is capitalized at \$1,000,000 divided into 100,000 shares of

\$10 THE SHARE

A Big Canadian Steamship Company is waiting for 1,000 Suits; other orders are coming in every day. The world is realizing that the S. O. S. one-piece life saving device is the embodiment of all things necessary to ensure safety at sea.

THE WHOLE WORLD IS THE MARKET for this device. The government of Great Britain and France have officially taken notice of it. Others will follow.

YOU are offered the opportunity of becoming a partner in the manufacture of this invention. You can get into the proposition right at the start. You cannot use \$10 or \$100 or \$1,000 or more to better advantage.

THINK IT OVER and call, write or telephone the New Brunswick representative of the company, or any accredited agent, through whom only, stock can be obtained in this province.
