IMPORTANT DRIVE RESUMED SOUTHWEST OF SOISSONS

German Efforts To Smash French Defences Be- tween Montdidier and the Oise Unsuccessful, But Serious Menace Faces Allies Between the Aisne and the Marne—French Successes Force Germans Into a Pocket.

London, June 12—(Via Reuter's Ottawa Agency)—
The newspapers state that it is foolish to attempt to mini-
mize the significance of the enemy's gains of ground, where
every kilometre is most valuable, but they point out that the
Germans are very far from achieving their programme,
while their sacrifices are greater than in any previous battle
of the war. For the first time, indeed, since March, they
have been effectively counter-attacked with a swiftness
which gives their storm troops no chance to rest.

Day War Summary.

German efforts to batter down the
French defences between Montdidier
and the Oise, begun on Sunday, seem
to have been checked on the third
day of the struggle.
On the western end of the battle
line the French have counter-attacked
and have regained important ground,
while on the centre and right repeat-
ed efforts by the enemy to exploit
his earlier success have been met
with stern resistance from the French
who claim that the Germans are be-
ing held.

At the moment, when the plunge
of the foe west of the Oise appears
to have met with a reverse, the front
to the southeast between the Aisne
and the Marne has again flamed up.
Striking the Allied line to the south-
west of Soissons, in the neighborhood
of Domniers, Chiry and south of Am-
brier the Germans have begun what
may be a very serious threat to the
security of the Allies north of the
Oise.

Important Attack.

The new attack would seem, for the
moment, to be almost of no impor-
tance to that east of Montdidier.
It appears to be an effort on the part
of the enemy to cut in south of Com-
piègne Forest, outflanking the Aisne
to the north and compelling their re-
tirement and a re-location of the whole
Allied line from Montdidier to Cha-
teau Thierry.
Except for the fact that heavy
fighting is in progress, nothing is
known of events in this new battle
area, but the struggle there will be
waged with some concern until
the magnitude of the German thrust
there is developed.

The French still hold the left bank
of the Oise, although they may have
readjusted their lines in the northern
sectors of the Ourcamp and Carle-
pontois forest. Their positions there
however, will become very awkward
should the German drive west of
Soissons and make considerable
ground.

French Successes.

The success of French counter-at-
tacks along the western wing of the
battle line has forced the Germans
into a sort of pocket bounded on the
east by the Oise river, and on the
west by the high ground lying to the
west of the Matz. Squared in front
of this wedge the French appear to
be holding the foe for the present at
least.
Although there has been a belief
that the German drive east of Mont-
didier was planned at least in part
for the purpose of drawing Allied re-
serves from the battle fields of Picar-
dy and Flanders, nothing has as yet
occurred to indicate that the Germans
contemplate an immediate attack at
Amiens or toward the channel ports.

TRAITORS SENTENCED

Boston, June 12.—Phillip H. Gros-
ner, a private at Fort Banks, was sen-
tenced to thirty years' imprisonment
at Fort Jay, having been found guilty
by court martial of making disloyal
remarks and encouraging disloyalty
among soldiers. Army officials said
Grosner posed as a conscientious ob-
jector.

Oklahoma City, Okla., June 11.—Or-
ville C. Enfield, Socialist candidate for
congress against James V. McChicic,
seventh congressional district, was
found guilty in the federal court here
of indictments, charging conspiracy to
obstruct the selective service law, and
sentenced to twenty years in the fed-
eral prison at Leavenworth, Kansas.

TO SUFFER FROM HEADACHE Makes Life Miserable

Headaches seems to be habitual
with many people. Some are seldom,
if ever, free from it, suffering contin-
ually with the dull throbbings, the in-
tense pain, sometimes in one part,
sometimes in another, and then over
the whole head, varying in its sever-
ity to the cause which brings it on.
The varieties of headache most com-
mon are sick or bilious headache,
nervous headache, headache from
constipation, debility or indigestion
and spasmodic headache, and un-
doubtedly the cause must be removed
before permanent relief can be had.
Burdock Blood Bitters has been
on the market for over forty
years, removes the cause of the head-
ache, and not only does this but also
restores the entire system to healthy
action and buoyant vigor.

Miss Emily Smith, 204 Bellwoods
Ave., Toronto, Ont., writes: "I cannot
speak too highly of Burdock Blood
Bitters. For two years I was greatly
troubled with violent headaches, par-
ticularly in the morning. I tried every-
thing to cure me until a friend recom-
mended B.B.B. I tried it, and now I
am completely cured."

FRENCH EVACUATE CARLEPONT WOOD, ANNOUNCES BERLIN

London, June 12—(Via Reuter's Ot-
tawa Agency)—Telegraphing from
Paris, Reuter's correspondent says
that the enemy's advance on the right
bank of the Oise is bound to fall on
the other bank. We will probably be
obliged to bring our positions on the
two banks into line. That is the only
advantage the Germans gained yester-
day.

Field Marshal Haig's report from
British headquarters in France to-
night says:
"The French troops carried out a
successful raid last night in the neigh-
borhood of Loree.
"Nothing of special interest occur-
red during the day on the British
front."
German Statement.

Berlin, via London, June 12—The
French have evacuated Carlepont
Wood on the east bank of the Oise,
according to the announcement by
general headquarters today, and the
Germans are making advances along
this important line.

The statement reads:
"There have been artillery duels of
varying intensity. The infantry ac-
tivity has been limited to reconnoiter-
ing engagements."
"Army of the German Crown
Prince—Yesterday, the hard fighting
army of General Von Hutler repulsed
an expected counter attack, for the re-
capture of a group of hills southwest
of Noyon, which was carried out in
strength by several French divisions.
The enemy was thrown back on the
whole of the front of the attack from
Le Pignon to Antheuil, with the
heaviest losses. His armored cars,
which were brought into action in
great numbers, are lying, shot to
pieces, on the battlefield."
Bitter Fighting.

"Between Mary and Belloy, where
the enemy assault was shattered by a
counter attack, bitter fighting lasted
until midnight. The west bank of the
Oise, north of the point where the
Matz runs into it, has been cleared of
the enemy."
"The number of prisoners brought
in by the army has increased to more
than 13,000."
"The loss of the heights southwest
of Noyon forced the enemy to evacu-
ate his positions in Carlepont Wood,
on the east bank of the Oise. In close
pursuit we followed the retreating en-
emy beyond Carlepont and Calense.

LOST CONTROL OF THE NERVES

Became Hysterical and Could Only
Sleep When Doctor Gave Narcotic
—Never Expected To Be Well
Again.

Clementport, N. S., March 31.—It
is possible that your experience may
be somewhat like that of Miss Bur-
rill, whose letter we publish today.
This letter, in well reading, reads
anyway, "for me was an extreme
case of nervous exhaustion and her
cure all the more remarkable on
this account."
You will notice that Miss Burrill's
statement is vouched for by Mr.
Alonso W. Daniels, J. P., so there can
be no question that the case will
stand the most strict investigation.
Miss Gertrude M. Burrill, Clement-
port, N. S., writes: "I have used Dr.
Chase's Nerve Food with splendid
results. For a number of years I was
afflicted with nervousness, and at
years ago had a complete breakdown.
I had no control of my nerves, and
had terrible hysterical spells. I could
not sleep, had night sweats, awful
dreams, and nightmare. My physician
gave me medicine to put me to sleep
every night, and another kind to take
every two hours during the day, but
it did not seem to do me any good
only while I was taking it. I never
really expected to get well. Reading
about Dr. Chase's Nerve Food one
day, I gave it a trial, and the results
from the first box encouraged me,
so I continued its use, and found my
nerves getting steady and stronger.
My appetite improved, and I
gained strength, ambition and flesh.
Now I am able to do considerable
work, and can highly recommend Dr.
Chase's Nerve Food as a good tonic
for the whole system."
(Alonso W. Daniels, J. P. says:
"It gives me great satisfaction to
vouch for the testimony of this young
lady and the benefit she has received
from your wonderful discovery.")

TWO AUSTRIAN WAR SHIPS ARE DAMAGED

Italian Torpedo Boats Hit Bat-
tleships.

Rome, June 11.—At dawn on Mon-
day near the Dalmatian islands two
small Italian torpedo boats attacked
an Austrian naval division consisting
of two large battle ships of the Vir-
bus Unitus class, escorted by ten de-
stroyers. Our units, having boldly bro-
ken through the line of destroyers, hit
the leading battleship with two tor-
pedoes and the other with one and re-
turned to their base unscathed. One of
the destroyers which pursued them
was damaged seriously.

Battleships of the Virbus Unitus
type are four in number and are the
largest in the Austrian navy. They dis-
place 20,000 tons and carry a thousand
men each.

to the battlefield proved of immense
value, according to the report, be-
cause of the opportunity they gave
for an exchange of opinions, view-
points and policies.

Ottawa, June 11.—The militia de-
partment has issued a book entitled
the "Returned Soldier's Handbook."
The main object of which is to give the
returning soldier information as to
the conditions under which he will
come upon his return to Canada. It
is also designed to serve as a guide
to the civil, medical or military offi-
cers, patriotic societies and returned
soldiers' associations.

GERMANY TO DECLARE HER WAR AIMS

Will Be Discussed With
Austrian Foreign Minister.

London, June 11.—A discussion is
taking place between the German gov-
ernment and the high army command
regarding a declaration of war aims
which the German government will
make in the near future, according
to a despatch received by the Central
News from Amsterdam quoting ad-
vices reaching Holland from Berlin.
