

A resolution test chart featuring patterns of vertical and horizontal lines of varying thicknesses and spacings. Each pattern is accompanied by a numerical value representing its resolution. The values are arranged in a grid-like fashion, with some values appearing in multiple locations. The values include: 1.0, 1.1, 1.25, 1.4, 1.6, 1.8, 2.0, 2.2, 2.5, 2.8, 3.2, 3.6, 4.0, 4.5, 5.0, 5.6, 6.3, 7.1, 8.0, 9.0, and 10.0. The patterns of lines become increasingly dense and difficult to distinguish as the numerical value increases.
