FOUND BY THE PLANET

Joseph Barker, of Fargo, was made a happy man this morning by the recovery of his watch, through the columns of this G. H. J.

Mr. Barker was in town last Saturday and, while pushing his way through a crowd, the time-piece was jostled by a big man, out of his pocket. He did not miss it for half an hour and thought there was no use looking for it, and gave it up for lost. It was picked up and handed to Chief of Police Holmes.

Consequently the find got into The Planet. The loss saw the item in The Planet and came into town for this morning. He had a certificate of the number of the case and works, and was given the watch.

MURDER BY ROBBERS.

AN EXCITING TIME IN THE CITY OF CHICAGO.

Man Who Resisted the Desperadoes Shot and Killed—A Policeman's Human Shield.

Chicago, Jan. 9.—A gang of robbers created much excitement in the western part of the city last night. One of them was captured during a robbery of a saloon and later three of his companions who had escaped robbed another saloon, and killed the proprietor. The first robbery was in the saloon of Robert Koehler, 183 West 22nd street. Four men compelled the proprietor and several men who were in the place to remain quiet while they robbed the cash register. A small boy gave the alarm, and two policemen hurried to the place. The robbers fled, and in the chase Sergeant Rose captured Edward Fitzgerald, an ex-policeman, who was one of the robbers. The companions of Fitzgerald attempted to kill Sergeant Rose, but he held Fitzgerald in front of him and the prisoner was twice hit by the bullets of his friends, who were firing at the officer. Two hours after the robbery of the Koehler saloon, three men, supposed to be the same as those who figured in the first robbery, entered the saloon of Anton Dufek, at 927 California avenue, and attempted to rob the place. The proprietor showed fight and was shot and instantly killed by one of the robbers. All three of the men escaped.

GREAT DURBAR REVIEW.

Indian Troops Who Fought in China Given a Tremendous Reception—Last Important Event.

Delhi, India, Jan. 9.—The review by the Duke of Connaught and the Viceroy, Lord Curzon, of 30,000 British and native troops, led by Lord Kitchener, was the last important event of the coronation durbar. The Viceroy, the Duke of Connaught and the Grand Duke of Hesse, surrounded by a brilliant staff, took up their positions at the saluting point, between the grand stands. From every side an immense multitude of Europeans and natives watched the parade and cheered its favorite regiments. Lady Curzon and the Duchess of Connaught witnessed the review from carriages. The scene was not less brilliant in coloring than the preceding events, and it equalled them in picturesque interest. There was a particularly effective manoeuvre after the passing of the horse artillery, the cavalry, the field batteries and the infantry in the order named. The cavalry, in line of regiments, followed by the artillery, galloped past again and formed half a mile in front of the grand stand, and from this position charged down in long and magnificent lines to within a short distance of the saluting point. Of all the soldiers reviewed to-day none made a better impression than the native volunteers, who were led by native Princes, magnificently uniformed and horsed. The Imperial Service Corps, composed of natives, which saw service in China, excited great admiration, and was given a tremendous reception.

North Norfolk Returns.

Simcoe, Jan. 8.—Registrar A. J. Donly, returning officer for North Norfolk, today at 3 o'clock opened the ballot-boxes and made his official declaration of the votes cast in the bye-election. In May last 1,683 votes were cast for Mr. Carpenter and 1,704 for Dr. Snider. Yesterday Mr. Little received 1,864 votes and Dr. Snider 1,764, making Mr. Little's majority an even hundred. In 1898, in the general election, the vote was: Carpenter, 1,885; Robertson, 1,835. Following are the figures given out to-day:

Delta Village	51	141	1

An error in No. 4 Windham, given last night as 27 for Snider, should be 23 for Little.

TRADED OFF HIS WIFE.

PECULIAR BIGAMY CASE TRIED AT COBOURG.

George Albert Reynolds Disposed of His Wife to His Brother Walter For a \$15 Watch—All Three Sentenced and the Deal is Off.

Port Hope, Jan. 9.—A case was tried at Cobourg in the County Court before Judge Benson, preferred by County Crown Attorney Kerr against George Albert Reynolds of Percy Township, near Dartmouth, of inciting to commit bigamy. On December 10th, 1900, George Albert Reynolds and Annie Clark were married by the Presbyterian minister at Norwood, and they lived together as man and wife until last fall, when an elder brother, Walter Reynolds, aged 26, came home from Michigan, and revived a former intimacy existing between himself and George's wife. George resented this, or else he was tired of his wife, and offered to sell his wife and household effects to Walter, the consideration being a watch bought in Michigan for \$15. A bargain to this effect was made, the marriage license procured under false pretences by the two brothers at Rosemeath, and husband No. 1 took charge of his two children, while his wife and brother were being married in Indiana by the Methodist minister at Warkworth, in November, 1902. After which husband No. 2 took immediate charge of his brother's wife, two children and household furniture. The affair culminated in Walter Reynolds and Annie Reynolds, who were defended by Mr. E. C. S. Huxley, K. C., of Cobourg, pleading guilty to charges of bigamy, and receiving sentences of four months each in the county jail at Cobourg. George Albert Reynolds, the first husband, who was defended by J. B. McGill, M. P., was convicted of the charge of inciting his brother and wife to commit bigamy, and received three months. In passing sentence his Honor pointed out that the lightness of the sentences was due to the fact of the ignorance of the parties concerned, and because their offence against society and morality had affected no innocent party injuriously. The parties in this unique domestic mix-up remained unaffected in their relationship, husband No. 1 having promised to take back the wife and children he had sold as soon as the sentences expired.

GUIDES WERE MURDERED.

Lieut. Caulfield Says it Was Not Done by Glenn's Orders.

Manila, Jan. 9.—At the continuation of the court-martial of Edwin J. Glenn of the 5th Infantry, who is charged with unlawfully and wilfully killing two guides of war in Samar last January, Lieut. Caulfield, Second Lieutenant in the Philippine Scouts, who was in command of the detachment which killed the native guides in question, testified that while Major Glenn directed that the guides be executed if they failed to lead the column to the enemy, he (Lieut. Caulfield) did not repeat Major Glenn's orders to the detachment. He said he gave no orders for the killing of the guides himself, and that their killing did not result from the orders issued by Major Glenn. The witness testified he did not see the killing. He said that Preston and Ramos, civilian scouts, reported to him that the guides had been killed while trying to escape, and that he so reported to Major Glenn. A native Sergeant, who accompanied the detachment, under Ramos, testified that the first four guides had been executed by order of Ramos because they failed to guide the column to the enemy. This witness said the guides had been given the chance to lead the column, and when they refused to do so they were made to kneel and advised to repent of their sins. The Sergeant said a native soldier was stationed behind each kneeling guide, and at the word of command the soldiers first clubbed the guides with their rifle butts and then bayoneted them. The witness declared that Lieut. Caulfield was not present at this execution. The prosecution is endeavoring to connect Major Glenn with the killing of the guides by trying to show that Ramos was present when Major Glenn gave his orders to Lieut. Caulfield. The defence denies that Ramos was present on this occasion.

Compromise Reached.

Caracas, Jan. 9.—It was learned at a late hour that by the terms of the notes of the foreign powers handed to President Castro by Minister Bovef yesterday and of the Venezuelan answer then delivered at the American Legation to them, a compromise in the matter has been reached.

Corners are Illegal.

Chicago, Jan. 8.—The Appellate Court today in a sweeping decision sustained its injunction issued by Judge Chytrous against eight Board of Trade members charged with operating a "corner" and sustaining the contention against the "cornering" of the market. The court holds that under the laws of the State dealers cannot be forced to settle trades on the basis of an artificial value created by a "corner."

Brandon Rinks Burned.

Winnipeg, Jan. 9.—(Special.)—The Victoria Skating Rink and adjoining curling rink were destroyed by fire at Brandon to-night. The loss is estimated at \$7,000.

AN INDIAN STORY

Peter Thomas, an Indian from Walpole Island, brought his sick son to the Chatham hospital yesterday. After seeing his son safely in the hospital the Indian got drunk and slept last night in the cells. This morning Peter was fined \$1 and costs or ten days. Asked how he came to be drunk, the red man burst into tears. He said his wife was sick at home; he had just brought his sick son to the hospital and he felt so bad that he went and got drunk. Thomas is quite well off. At least he says that he owns 40 acres of land on Walpole Island and that he has a team of horses and a cow.

NO MORE GRAIN SHIPMENTS.

Superintendent Leonard's Instructions to C.P.R. Agents.

Winnipeg, Jan. 9.—Superintendent Leonard of the C. P. R. has sent the following instructions to all western agents: "As there are now sufficient cars under load with grain destined for Fort William and Port Arthur elevators to fill all the remaining available space at these points, and on account of the small shipments outward from these elevators since the close of navigation, you must not allow any more cars to be loaded with grain consigned to Fort William or Port Arthur until further advised. An additional elevator will be ready to receive grain, it is expected, in about ten days. Notify all shippers who have booked orders for cars for Fort William and Port Arthur you will supply C. P. R. cars in accordance with the grain act for shipment to points on our road other than Fort William and Port Arthur. (Signed) J. W. Leonard."

BURGLARS IN A BANK.

Got Nothing and Then Robbed Jewellery and Drug Stores.

Westville, N.S., Jan. 9.—Burglars entered the Bank of Nova Scotia last night and attempted to blow the safe with dynamite. Nothing was secured. The bank-breakers then entered the jewellery store of R. H. MacKay and took from the safe over two dozen gold watches, rings and other jewellery, in all about \$1,000 worth. They then entered Fraser's drug store and got a small amount of money from the safe.

ALL-CANADA EXHIBITION.

Toronto's Scheme Endorsed by Montreal Manufacturers.

Montreal, Jan. 9.—The Montreal branch of the Canadian Manufacturers' Association at a meeting endorsed the proposal for the holding of an all-Canada exhibition at Toronto, and Mr. Robt. Munro was appointed to represent Montreal in the delegation which will go to Ottawa at the coming session to ask for a grant for the Exhibition.

Barcelona Strike Riots.

Barcelona, Spain, Jan. 8.—The carmen's strike for higher wages is resulting in serious collisions with the police. Revolvers were used in the streets yesterday; strikers threw petroleum on the premises of the Northern Railroad, with the intention of setting fire to them, while hidden bombs were discovered near the city, leading to the belief that dynamiting was contemplated. The police have been largely reinforced, and special orders have been promulgated for the civil guard to be in readiness for action.

Doctor's Certificate Required.

Toledo, Jan. 9.—A physician's certificate is now required by local coal dealers before they will sell even a ton of coal. It must show illness in the home of the would-be purchaser, and that coal is necessary as a safeguard for the patient.

Mrs. Arnold's Death.

Windsor, Jan. 8.—Mrs. Ellen Arnold, aged 72, of Sandwich, died on Wednesday night of advanced age. She was an old resident of the place and beloved by all who knew her. Her son, Frank Cornish, was once Mayor of London, and later Mayor of Winnipeg.

BIG RAILWAY DEAL.

Baltimore & Ohio Purchasing Philadelphia & Reading Stock.

Baltimore, M.D., Jan. 9.—President Loree of the Baltimore & Ohio Railroad officially confirms the report of the purchase for his company of stock in the Philadelphia & Reading Railroad, and the later sale of a portion, through the Pennsylvania company, to the Vanderbilt interests. He said the control of the Reading was acquired by the Pennsylvania road, on behalf of the Baltimore & Ohio road, through Kuhn, Loeb & Company. Of a total of 2,800,000 shares, this firm secured between 1,200,000 and 1,400,000 shares in the interest of the Pennsylvania. This was largely preferred stock. Then the Vanderbilts and the Baltimore & Ohio were invited to take these purchases between them. This was to bring the Reading into the community of ownership scheme originated by the Pennsylvania and New York Central without conflicting with the laws of Pennsylvania, which prohibit the Pennsylvania from owning control of a competing line. The Vanderbilts nominated the Lake Shore & Michigan Southern Railroad to take up their share of the purchase, and the transaction involved about \$25,000,000. Pennsylvania selected the Baltimore & Ohio, and this company financed the requirements by part of the money derived from the recent sale of \$42,500,000 of stock. The deal doubles the mileage operated under the Baltimore & Ohio influence.

C.P.R. LAND EXEMPTION.

Action to Settle When the 20-year Term Expires.

Ottawa, Jan. 9.—Mr. Howell, K.C., has been in the city arranging for the submission to the courts of the test case to determine when the twenty years' exemption from taxation of the C.P.R. land grant expires. The statute provided that the lands granted to the company in the west in return for the building of the railway should, until they were sold or occupied, be free from taxation for twenty years after the grant thereof from the Crown. There is a difference of opinion as to when this period expires. Some people argue that the twenty years should date from the time of the earning of the land subsidy. Others take the view that it should commence from the time of the issue of the patent. It has been arranged that the municipality of North Cypress shall tax some of the company's lands and the case will then go to the courts. Mr. Howell has been consulting with the Department of Justice, and went to Montreal to confer with the C.P.R. officials.

Mrs. T. B. Farley, Colborne street, has begun to recover and her many friends will be pleased to learn that she will be able to be up shortly.
