Little Ben accidently swallowed one of his teeth. When he told Tom about it, Tom said: "Well, Ben, you will have stomach teeth now."

**A CANADIAN FAVORITE.**

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus, diarrhoea, and bowel complaints prevail. As a safeguard, Dr. Fowler's Extract of Wild Strawberry should be kept in the house. For 35 years it has been the most reliable remedy.

Many ethnologists say that all mankind came from a central mass in Northern Asia, and there were but three fundamental types—black, white and yellow. These three types scattered over the world and intermingled, forming in course of time 72 distinct races of human beings.

**BAD BLOOD CURED.**

Gentlemen,—I have used your Burdock Blood Bitters for bad blood, and find it, without exception, the best purifying tonic in use. A short time ago, two very large and painful boils came on the back of my neck, but B. B. B. completely drove them away.

Samuel Blain, Toronto Junction.

An English writer declares he saw two salmon fight a duel. The fish plunged at one another for two hours, and night came on, and the end of the battle could not be witnessed.

**FOREWARNED IS FOREARMED.**

Many of the worst attacks of cholera morbus, cramps, dysentery, colic, etc., come suddenly in the night, and speedy and prompt means must be used against them. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

A philosophic observer believes there is something wrong in the social system that permits more than 10,000 sewing girls and women to toil for 15 hours a day in New York "sweat shops," in order to earn 50 cents.

**A COMPLICATED CASE.**

Dear Sirs,—I was troubled with biliousness, headache, and loss of appetite. I could not rest at night, and was very weak, but after using three bottles of B. B. B. my appetite is good, and I am better than for years past. I would not now be without B. B. B., and am also giving it to my children.

Charming people, these exceptional people! Here's a medicine—Dr. Pierce's Golden Medical Discovery, for instance, and it's cured hundreds, thousands that're known, thousands that're unknown, and yet yours is an exceptional case! Do you think that that bit of human nature which you call "I" is different from the other parcels of human nature? "But you don't know my case." Good friend, in ninety-nine out of a hundred cases, the causes are the same—impure blood—and that's why "Golden Medical Discovery" cures ninety-nine out of every hundred. You may be the exception. And you may not. But would you rather be the exception, or would you rather be well? If you're the exception it cost you nothing, you get your money back—but suppose it cures you?

Let the "Golden Medical Discovery" take the risk.

The other day a burglar at Silvertown was tracked in a queer manner. Not content with valuable booty, he carried off a bag of corn. From a small hole in the bag, some grains dropped at intervals, sufficient to make a trail, which a sharp detective followed right up to the thief's resort, and there arrested the criminal with the property in his possession.

**STICK TO THE RIGHT.**

Right actions spring from right principles. In cases of diarrhoea, dysentery, cramps, colic, summer complaint, cholera morbus, etc., the right remedy is Fowler's Extract of Wild Strawberry.—an unerring cure—made on the principle, that nature's remedies are best. Never travel without it.

**Only the Scars Remain.**

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith

Woolen Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good

Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."
