Mr. S. Edgar Briggs,
The Fleming H. Revell Company,
158 Fifth Avenue,
New York.

My dear Mr. Briggs:

I have just received your letter of November 29, and thank you for the inquiries you have made with respect to the missing plates for the illustrations in "The Secret of Heroism". If they should turn up in your offices, I should be glad if you would have them sent on to Thomas Allen in Toronto. In any case, printing will not be delayed, as I have furnished the original photograph for the frontispiece, and a reproduction can be made, if necessary, from the other print as it appears in the volume itself.

I hope there will be opportunity before long to see you in New York. If it can be, I should like to take advantage of your suggestion that together we meet a number of mutual friends in the Canadian Club of New York.

Heartily reciprocating the good wishes you have conveyed, and with kind personal regards,

Believe me,

Yours very sincerely,

W. L. Mackenzie King Papers
