A. W. Merriam, Esq.,
Private Secretary to the Prime Minister,
House of Commons,
O T T A W A.

Dear Mr. Merriam:-

Yours of the 27th enclosing telegram from R. J. Robb, Hamilton, Ontario, concerning the placing of printing through Union shops, has been received.

This work is being fairly distributed among Union and Non-union shops. The Union shops and label, which is important and desirable should appear on pamphlets for public distribution is being properly taken care of, and I have sent an appropriate reply to Mr. Robb under this date.

Yours sincerely,

~~Chairman, Publicity Committee.~~
