

OFFICE OF THE PRIME MINISTER

C129021

MEMORANDUM

THE PRIME MINISTER

Mr. Christie has prepared a memorandum dealing with the inter-relationship of the St. Lawrence - Great Lakes problem as a whole, with the present question of export of power.

Mr. Christie has asked me to explain that there has not been time to check for typist's errors before sending the original to you for the weekend. This he is doing carefully with the carbon copy.
