Monthly Income Policies a Necessity

A legacy of life insurance amounting to \$100,000 was completely dissipated in seven years by faulty investments and expensive living; in another case a beneficiary squandered the proceeds of a life insurance policy amounting to \$50,000 in a single year. To protect the beneficiary against inexperience in making investments and against extravagance, the monthly income policy has been introduced, providing an automatic, safe and profitable investment of life insurance funds. Supplement your existing insurance with a monthly income policy. It can be written on the life, limited life, or endowment plan. Such a policy with our disability clause incorporated is without an equal in furnishing ideal household protection. We will gladly furnish full particulars and illustrations.
