Protection

WHETHER you build a Factory, Warehouse, Barn or a Shed, assure yourself of a serviceable roof—one that will give continuous hard wear under varying weather conditions.

NEPONSET PARDID

solves your roofing problems. It enables you to lay a roof that will remain a good roof under all conditions, in all weather, cold, heat or rain.

The base of Neponset Paroid is a high-grade rag felt thoroughly impregnated with asphalt, making it positively waterproof and fire-resisting.

It is further reinforced with a talc surface, grey

in color; or with a permanent slate surface, red or green in color. Neponset Paroid is not only impervious

to the driving storms, but protects you against fire through falling embers. EASY TO LAY-With every roll of Neponset Paroid is supplied sufficient nails

and cement with full directions.

There is a Neponset dealer in your district. Write us for his name and a copy of our illus-trated booklet "Roofing Canada."

Made in Canada by BIRD & SON, Limited Hamilton, Ontarlo

Horse Stable Fittings

SAVE EXPENSIVE FEED

WHY continue to use that old wood manger and feed box from which your horses are constantly pulling expensive hay, oats and other feed on the floor and

Some horses are worse than others. But watch your horses feeding, and you will find that they all waste feed.

Louden's Mangers, Oat Bowls and Hay Racks are made entirely of the best fron and steel and are designed to prevent wasting of feed. Test Louden Stable Fittings with your horses. You will find there are no conditions so difficult, Louden's cannot meet them.

In Louden Mangers and Oat Bowls there are no dark corners to collect dirt and breed disease germs. They are smooth, sani-tary, and solidly built to last a lifetime.

Louden's Steel Stall Posts are perfectly smooth and unbreak-able. The beautifully finished

Louden Steel Stall Guards not only improve the appearance of the stable, but also permit of a free circulation of light and air—two important factors in maintaining health. They also prevent horses fighting over the stall partitions.

raking into consideration the prevailing high prices of lumber and the feed-saving, healthful, permanent features of Louden Steel Stable Fittings, you will save money by installing Louden equipment.

Louden Stable Fittings also prevent any possibility of injury to valuable horses. Many animals have been badly injured and disfigured by poorly and improperly constructed stalls.

The Louden Catalogue contains valuable information on Horse Stable Fittings. Write for it.

for it.

If you are unable to decide on plans for your new barn or would like assistance in remodelling your old one, our Architectural Department will assist you. Our Barn Plan Book is free. Shall we send it with the Catalogue?

Look for the Sign of the **Grain-Saving Stacker**

THE Grain-Saving Wind Stacker I saves the grain wasted in the ordinary process. It saves enough, i fact, to pay the threshing bill.

For this reason the Grain-Saving ment in threshing machinery that has been developed in the last twenty-five

grain will go to the sack where it belongs and not in the stack. Insist that the separator must be equipped with the Grain-Saving Wind Stacker. Manufacturers of the famous make.

equip with the Grain-Saving Stacker Write to any of the list below for full

See that this trade-mark—in colors—is on each side of the Wind Stacker you buy or hire. It indicates the Grain-Saving Wind Stacker.

The Grain-Saving Stacker Originated With the Indiana Manufacturing Co., Indianapolis, Ind., Who Also Originated the Wind Stacker.
