BREAKFAST.

"By a thorough knowledge of the natural laws  
which govern the operations of digestion and  
nutrition, and by a careful application of the fine  
properties of well-selected Cocoa, Mr. Epps has  
provided our breakfast tables with a delicately  
flavored beverage which may save us many  
heavy doctors' bills. It is by the judicious use  
of such articles of diet that a constitution may  
be gradually built up until strong enough to re-  
sist every tendency to disease. Hundreds of sub-  
tle maladies are floating around us ready to at-  
tack wherever there is a weak point. We may  
escape many a fatal shaft by keeping ourselves  
well fortified with pure blood and a properly  
nourished frame."—Civil Service Gazette.

Made simply with boiling water or milk. Sold  
only in packets, by Grocers, labelled thus:

**THE SEMI TONTINE RETURN PREMIUM  
PLAN**

Provides that should death occur prior to the  
expiration of the Tontine period, the whole of  
the premiums that may have been paid will be  
payable with, and in addition to the face  
of the policy—thus securing a dividend of  
100 per cent. on the premiums paid, should death  
occur during said period.

**THE COMMERCIAL PLAN.**

The large number of business and professional  
men who have taken out large policies on the  
Company's Commercial Plan, show the demand  
for reliable life insurance relieved of much of  
the investment elements which constitutes the  
over payments of the ordinary plans, is not  
confined to men of small incomes, but exists  
among all classes of our people.
