

**WHAT OUR UNCLE SAM HAS TO SAY ABOUT IT.**

BOOKS and Pictures of the Great Fair are well and good, but they wont last. They are in the nature of opinions, and there's a thousand different kinds, and new ones coming, so that they partake merely of the thoughts of some descriptive writer—there's nothing sentimental about them. With the Souvenir Spoon it's different—The Spoon was made for the World's Fair as a memento for you to take care of, to pass along to your children—they won't tear the spoons apart nor wear them out like books, consequently see to it that you have a set to commemorate the fact that you lived in the time of the wonderful Dream City or participated in that glorious event. You will not appreciate the spoons as much as your children will, and by the time your great-grandchildren have come into possession of them, World's Fair Souvenir Spoons will be heirlooms—priceless treasures of historical value.—Is this not a worthy reason why you should buy a set when they can be had so cheaply? They are beautifully made of heavy coin plated silver, gold plated bowls,—after dinner coffee size each spoon showing a different World's Fair Building in the bowl. The price is only 99 cents for the entire set of six in elegant plush lined case. Why not order now? Remit by either Post Office or Express Money Order. Individual Checks not accepted.

Many readers of CANADIAN CHURCHMAN would send for a set of these souvenir spoons could they be convinced that what we say is true, that we offer a set of six spoons for 99 cents the same that were sold on the Fair Grounds for nine dollars, and that we are a perfectly responsible firm, and do as we agree. How could we continue to refer to the First National Bank of Chicago and all the express companies, and advertise so extensively in all the leading religious papers in the land, if we were not responsible? Do you imagine the editors of these papers would permit us to do so if there was any doubt about our standing? If you are in doubt ask our references about us. If not in doubt order without delay before the stock is exhausted.

**WHY WE CAN DO IT!**

The readers of CANADIAN CHURCHMAN may doubt the statement that these spoons sold on the World's Fair Grounds for \$1.50 each or \$9.00 for the set of six, but no one bought them for less, and every one may learn from the Exposition authorities that the privilege of selling souvenir spoons was awarded a syndicate of private dealers, shutting out the manufacturer of these million spoons which we now offer, leaving them on his hands. We bought the entire stock at a price that enables us to offer them to you at 99 cents for six spoons—each one representing a different World's Fair Building. It is a genuine bargain that you cannot afford to miss.
