### MILK THAT IS PURE

Is safer for you than impure milk—and the quantity of impure and diseased milk coming into Toronto has aroused the Health Department to a sense of the danger in the milk pail. They are trying to enforce health regulations. Better be sure of your milk supply. Get Hygienic Dairy Milk—comes in sealed bottles direct from the farm at Eglinton.

## It has been said

that even the most inferior pianos sound well when new, but competent critics would promptly dispute this proposition. A piano to sound well when new, or at any other time, must be well made, of good material, and on correct principles. If not, the tone must be bad. Then comes the question, "Do they last?" Most certainly not; they keep on from bad to worse. Moral: Buy a piano that has a perfect tone first, last and all the time. Buy a matchless Karn and run no risk for the present or the future.
