

Chromnic The Steel that Wears

FOR crushing plates and all parts of crushing machinery and stamp mills. Also cams, tappets, shoes and dies. This steel out-wears and outlasts any other make by 25%. It has stood the most exhaustive tests and excels the much vaunted Krupp steel.

We make castings of "Chromnic" steel for all mining machinery, and guarantee quick service.

The next time you order parts---try Chromnic steel.
