AT THE EMPIRE

There is a bill of fare which can not fail to please at the Empire The atre this week. Beides four splendie reels of photo plays there is vaudeville worth of the best. The films include "A Sure Cure," a first class comedy take now and then to keep their kid- drama; "Twickenham Ferry" a magnificent drama, founded upon the famous old song, and "The Girl and the Greaser." and exciting story of love and a Mexican revenge.

The A. I. G. Woods Amusemen Company give an excellent entertainment which includes Madame Nino, who gives a wonderful demonstration of mind reading powers. The audience last night was dumfounded by her leverness. The Mysterious Woods was no less mystifying and introduced some feats of magic which have not been approached in Brantford. Jake Shaw was encored for his splendid dancing and Billy Crosbies, styled the small edition of Le Dockstader, kept he house in a continuous roar with his coon-colored act. The Empire is well worth a visit
