LOCAL NEWS

ST. JUDE'S PICNIC

St. Jude's Sunday school picnic postponed from Wednesday last because of inclement weather, will be held to-morrow afternoon at Mohawk Park.

WANTS INFORMATION.

Mrs. R. Yule of Bridgeburg, Ont. has written the police department for the address of the mother of Sergeant McDonald, killed at the front and believed to have lived somewhere near this city.

HANLEY VS. TOWNSHIP

The arbitrators in the Hanley vs. the Township of Brantford dispute accompanied by the counsel for the contending parties, visited the property near Cainsville this morning prior to making their award.

EXPRESS REGRETS

The Soldiers' Aid Commission have written to the returned soldiers who arrived in the city on Sunday, expressing regret that as no notification was received from Toronto of their expected arrival, they were not accorded a civic welcome and reception.

CIVIC HOLIDAY

Bills are being posted in prominent places around the city to-day announcing that Civic Holiday will be observed on Monday, August 6th, instead of the second Monday in the month as has heretofore been the custom.

A GENUINE VETERAN

A strenuous experience at the front has been the lot of Private G. C. Thompson, a veteran of Toronto who was in the city visiting with friends for a few days. He was wounded by five machine gun bullets within almost as many seconds. Four bullets were extracted overseas and he was then invalided home. One fragment is still lodged in his hip and he expects to return to Toronto within a few days to have it removed.

HYDRO FOR TOWNSHIP

Two weeks must elapse after the passing of the Township Hydro-Electric By-law before any action can be taken toward the erection of equipment or installation can be proceeded with by the Township Council. In this time appeals may be made to the County Judge. When an opportunity for appeals has ceased, a special meeting of the Township Council will be called when the by-law will be given its third reading. The Hydro Electric System can then proceed with the erection of lines and the installation of equipment.
