Hood's Sarsaparilla, a Spring Tonic-Medicine, is Necessary.

Everybody is troubled at this season with loss of vitality, failure of appetite, that tired feeling, or with bilious turns, dull headaches, indigestion and other stomach troubles, or with pimples and other eruptions on the face and body. The reason is that the blood is impure and impoverished.

Hood's Sarsaparilla relieves all these ailments. Get your druggist for this medicine and get it today. It is the old reliable medicine that has stood the test for forty years—that makes pure, rich blood—that strengthens every organ and builds up the whole system.
