NOTES FROM ERIEAU

The railroad gave the cottagers another quiet Sunday.

The yacht visitor called here on her way to Cleveland.

Chicopee, the Stephenson cottage, is being repaired.

The Dresden returned from drydock on Sunday afternoon.

Miss Quesnie Taylor is spending the week with Miss Dora Campbell.

Miss Marion Gemmill was a charming week end visitor at Osceola.

Mrs. John Turner and the Misses Turner have arrived at Belvedere.

Miss Reva Staggman is the guest of Miss McKee at Clearview.

Mr. W. E. Rispin and daughter spent the week end at the Bungalow.

Mr. Elliott and family, of Cleveland, are visitors at the Bungalow.

Mr. W. H. Robinson, Dufferin Ave., has purchased a lot at Centerville.

Miss Holmes, of Victoria Ave., was a week end visitor at Sandy Knowe.

Messrs. Elliot and Lawson, of the Standard Bank, spent Sunday on the bar.

Mrs. English and family are settled in their cottage for the summer.

Miss Ida Powell, Chicago, is a very pleasant guest with Miss Clara Morgan.

Jim Boyd's row-boat has been purchased by J. B. Stringer, of Hazeldean.

Miss McCorvie, of Chatham, was a Sunday visitor at Erieau with Miss Etta English.

Mr. Wilfrid McKenzie has purchased a new gasoline launch from the Defiance Iron Works.

A new hole was discovered in the north sidewalk last night. This makes the 693rd by actual count.

Mrs. and Mrs. E. B. Jones, Mr. and Mrs. T. Morgan and Baby Nora composed the party at Llangollan over Sunday.

Mr. and Mrs. George Park and Baby Gordon spent Sunday the guests of Mr. and Mrs. Archie Park at Beverly Lodge.

Messrs. Jim and George Park drove from Chatham to Shrewsbury on Saturday evening in two hours and fifteen minutes.

The steam yacht Polly-Oly, of Rocky River, Ohio, stopped in the harbor for a few hours. She is on a cruise up the lakes.

Miss Guttridge and a jolly party have taken the Biddell cottage for the balance of July. They will be chaperoned by Mrs. Duncan Sullivan.

More of the cottages at Blenheimville are being opened up each day. The genial Mr. William Hall might have been seen or heard on his verandah, Sunday.

Capt. McLeod, of the Str. Bessemer, and family are occupying Mr. Leach's cottage. He is filling the place of Capt. Roman, who is on a month's holidays.

The Lagonda, of Chicago, a nifty American steam yacht, was in port Saturday evening. She was anchored back of the lighthouse, and steamed out early Sunday morning.

Mr. Thompson, of the Standard Bank, and Mr. Chas. Gunn surprised many of the friends at the Eau by walking in from Chatham on Sunday morning. They are stopping at the Bungalow.

A popular form of amusement among the young people of Erieau is going for a ride on hand-cars. Several parties went through Centerville and Jubilee on their way to Blenheim and vicinity.

Miss Jessie Houston left the Eau this morning for Toronto. The Board of Examiners for the Department of Examinations commence their duties on Tuesday, and Miss Houston and her friend, Miss Archer, of Petrolia, are members of the Board.

The Ripple took the guests at Beverly Lodge, Laff-a-Lot, Shaggy-appes and Sandy Knowe over to Shrewsbury on Saturday evening.

Archie Park was at the wheel and Roy Park acted as engineer. Roy has been running the engine but week, and the deft way in which he and Mr. Park took the launch into her moorings, in the dark, convinced those on board that they are both artists.

WORLD OF SPORT

BASEBALL

MOTOR WORKS WON.

A fast and interesting game of baseball was played on Tecumseh Park Saturday afternoon, between the Tammany Healers and the Motor Car Team.

A large crowd of people was present and each team had a lot of rooters. The game was keen and interesting from start to finish, and for the first two or three innings it looked as though the Motor Cars were going to have a much easier victory than they had.

The Motor Cars had the game their way all through, and played fast and aggressive ball. Davis pitched a good game, and Chaucery Depeu on second was as good as ever. Pleasance and Taylor for the Tammany Healers were good and Raynor at short made several nice catches. The game throughout was cleverly played, and the Motor Cars have made a vast improvement, both in fielding and batting, since their last game.

The score resulted 5 to 4 in favor of the Motor Cars, and is the first game won by that team in the City League this year. Line-up as follows:

Tammany Healers—Taylor c, Pleasance p, Trotter 1b, Woods 2b, Hardacre 3b, Raynor ss, Trotter rf, Head of, Willard lf.

Motor Cars—Elliot c, Davis p, Guy 1b, Depeu 2b, Somers ss, Brundage 3b, Merrill rf, Hard of, Howard lf, Umpire Oldsman's decisions were satisfactory throughout.

STANDING OF THE TEAMS.

Team	Won	Lost	To Play
Wagon Works	3	1	12
Tammany Healers	3	2	11
C. F. M.	2	2	12
Motor Car	1	4	11

A league game between the C. F. M. twirlers and the aggregation from the Wagon Works will be played off.

Two many eye-openers impair the vision.

COUNCIL MEETING

To-night the members of the City Council will hold a regular session in the chambers in Harrison Hall.

The principal item before the council is the consideration of the Electric Light question. Some of the gas engine experts will in all probability be present, and cost of installing a gas engine outfit will be further discussed.

It is hoped that the estimates for all of the committees and boards will be in in time for to-night's meeting. If all is ready Civic Finance Minister Austin will recommend the striking of the tax rate. This will be looked forward to with considerable interest by the heavier taxpayers.

VERY FORTUNATE.

The engineer was asleep. Happily no tragedy followed.

It was his time to be off duty, and he was in his bed.

Prudence supplies the want of every good.

EMPLOYE MEETS DEATH

Continued from Page 1.

wheels of the car passed over his body, cutting him in two.

It was a sickening sight presented to his fellowmen, when they found him lying across the rails after the accident. Saunders was very popular among his many friends at the factory, and the accident has cast a gloom over things in general around Wallaceburg.

The body was removed to the town morgue, and an inquest may be held.

Saunders was a married man, and was about 40 years of age. He was a man of exemplary character, and the sympathy of the whole community is extended to the family in their sad bereavement.
