NOT NEEDED AT THEIR POST.

Attention has frequently been called to the enormous expense of governing the Yukon with its population of 8,000 people. No one has been able to explain what these high priced officials, whose salary and maintenance costs the people of Canada more than double the total revenue of the district and amount to about \$160 a hand of the population, can find to do. Some light is thrown upon the subject by an answer which Mr. Oliver gave in the House to an inquiry. The Minister stated that Chief Commissioner McInnes is at present absent from the district. So are Judge Dugas and Judge Craig, F. T. Congdon, legal adviser of the Yukon Government, Mr. Burns, the territory secretary, Mr. Brown the clerk, and Mr. Laliberte the librarian. The Government is not quite sure whether Mr. Girard, the Register and Mr. Dugas were at home or not. It is explained by the Postmaster-General that Mr. Hartman, Postmaster at Dawson is also absent, but his departure was caused by domestic affliction. The work of these officials, or of those who have any work, is performed easily by those who remain. Following are the salaries and allowances paid to some of the officials who can be so easily spared:

Table with 2 columns: Name and Salary Allowance. Includes Comm'r McInnes (\$6000), Justice Dugas (\$5000), Justice Craig (\$5000), Mr. Congdon, legal adviser (\$5000), Mr. Burns, secretary (\$1800), Mr. Girard, register (\$1800), Mr. Dugas (\$1200), Mr. Hartman, P. M. (\$5000), Mr. Oliver (\$2000).

DISTRICT KENT BRIDGE.

Our village suffered badly by fire the past season; want fire fighting appliances. Apple trees all through this section of the county are badly affected with the San Jose Scale. A remedy must be adopted by one and all or growing apples will be a thing of the past in the district. A larger acreage of fall wheat was put in this fall than for the past few years. Mr. Charles Hubbell, of Thameville, has the contract for rebuilding Knox church, which was recently burned down. The material is on the ground and the men are at work. The Presbyterians, since the fire, hold service every Sunday at three p. m. in their hall at rear of church, Rev. Mr. Hare pastor. The Methodists held their annual oyster supper Tuesday evening. The supper and entertainment was one of the best in the social history of the church. Preaching every Sunday at seven p. m., Rev. Mr. McKelvey pastor. Sunday school every Sunday at three p. m. Our public school purpose having an entertainment and Christmas tree on the last week of school. The present teacher, Mr. Clifford Langford, was engaged for another year at an increase of salary. Our football team will have a photo of team along with the three silver trophies they have won. No other team in Western Ontario have so many laurels. Mr. Alfred Langford is replastering and fitting up his hall, having rented it to the Young Men's Athletic Club of Kent Bridge. The cutting off or reducing the great overflow of water in the River Thames at flood time is one of the most important needs for Western Ontario. If the Government won't act, by all means, up petitions, have engineers make examination, plans and specifications, assess the whole low and high lands throwing water into the Thames, make a cut-off or a dozen of them if necessary, and put a stop once and for all this annually drowning out and tearing away the best section of farm lands, towns and villages in Canada. Municipal matters are awakening up in Camden under the new Act. Men from the township and village councils will have seats at the County Council. Our present Reeve, Mr. Badger, ex-Mayor Ribble, of Dresden, and the two county commissioners, French and Sturgis, we are told, are in the field for Reeve of Camden. The farmers in Chatham and Camden Townships are agitating to have the town line between the two townships made into a good and permanent road by getting funds under the Good Road Act. The road at present is a heavy sand bed most of the way across to the clay near Dresden. Wm. Huff is getting out oak for

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that specific nerve sickness—nothing else. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, flatulence, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

The electors in this part of Chatham Township say they have got the right man for the right place in G. W. Sulman for their next M. P. P. Geo. Langford expects to leave via New York for Florida, most southern part of Florida, in a few days for the winter. Alex. Gregory, of Chatham, spent part of his vacation at his home here. The Farmers Institute purpose holding seven day and evening meetings in East Kent in January and February next. Good meetings for farmers to attend. Mr. Andrew Shaw is building a new house on his farm east of the village since the fire destroyed his shops in the village. Mr. Worth, Sr., of Toronto, expects to move his family to the village in January. The telephone in Mr. O'Neill's house is a great convenience. Don't see how we got along so long without it.

TOWNSHIP COUNCILS

RALEIGH COUNCIL.

The above council met on the 15th of December with all members present. Minutes read and confirmed. S. S. Gilhula submitted his resignation as assessor, which was accepted, and John Gilhula appointed in his place by by-law. James R. Irving assigned his contract on the Vail drain to Nelson Clark, which was accepted on motion of Shreve and Jenner.

A notice was received from Wm. Khalar that the tile in the branch of the Deary drain in front of D. B. Armstrong's store in Fletcher was not large enough and obstructed the flow of water.—Referred to the commissioner of No. 2 with power. The Treasurer submitted the financial statement for the year, which was received, and the Clerk instructed to have 200 copies of the same printed for nomination day. The account of Dr. Charteris, \$15.25, for attendance on Andrew Newby, was laid over. Dr. Young submitted an account of \$22 for attendance on James Clements.

Moved by Shreve and Sykes, that Dr. Young be paid \$11 in full. Nelson Brown submitted his account as M. H. O. for 1903, being \$87.50, which was referred to the Reeve to investigate and report. A letter was received from John Figgott & Sons in reference to a car of cement ordered by the Reeve last May, and bill for same being \$281.75, and five months interest at ten per cent., \$11.75. The Reeve reported that the matter was settled for \$281.75. The matter of selecting a site for a new town hall was considered. Moved by Jenner and Shreve, that a vote be taken at the coming election for the choice of a site for a new town hall, and that two places be voted on, namely, first, the present site of the old town hall; second, in or near the village of North Buxton.—Carried.

Mr. Jenner submitted the following reports: 1. That nothing was done re Chinnick Award drain. 2. That he had the township's part of the Wilson Award drain repaired for \$22. 3. That he had the township's part of the Twomy Award drain repaired for \$5. 4. That he had built the bridge over the Waddick drain on the 7th concession for \$180. 5. That he inspected the cattle pass of R. P. Dolsen and found the same satisfactory. 6. That in reference to the grievance of Thos. Montgomery re flooding from the 5th concession road, he would recommend that Mr. Montgomery proceed under the D. & W. C. Act.—Reports adopted. A Baird submitted report accepting the 18th and 19th side road drain. J. W. Shackleton reported on his inspection of the Simpson drain and the bridge over the Waddick drain on the 8th concession road, which he left in the hands of the commissioner. There were a number of accounts passed. Council then adjourned.

THE FARMER'S WIFE

Is very careful about her churn. She washes it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. Her stomach is a churn. In the stomach and digestive and nutritive tracts are exactly akin to the churning of butter. Is it not apparent, then, that if this stomach churn is sour or corrupted, which is put into it? The evil of a foul stomach is not the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of the blood, and the dissemination of this corrupt element. Dr. Pierce's Golden Medical Discovery makes the sour stomach sweet. It does for the stomach what the washing and sun bath do for the churn—abolutely removes every taint or corrupting element. "Golden Medical Discovery" contains no alcohol, whiskey, or other intoxicant and no narcotic.

LIMITED HIS OBSERVANCE.

Certain phases of the recent religious discussion in this country recall the story of the ritualistic reactor who was reprimanded by Bishop Magee for certain extravagances in conducting the service of his church. "My lord," said the reactor, "I will obey you on any point within the four corners of the prayer book." "Humph!" replied the bishop, "I suppose you mean you will not obey me on anything that is binding."—London Telegraph.

Where Trusts Do Not Thrive.

They do some things better in England. The greatest trust to date was organized over there recently. A combination of all the soap manufacturers was made, and on Oct. 5 of this year a \$60,000,000 soap trust was launched. The papers cartooned it. The retailers boycotted it. The promoter of the scheme was heretic of Parliament, and in a month it was all over. The soap trust proved to be only a bubble.—Boston Traveler.

TO THE ELECTORS

Ladies and Gentlemen: I am a candidate for the position of Mayor of the City of Chatham for 1907. Some years ago I appealed to you for support for my candidature. I trust that my actions at the Council Board since that time will warrant your support and confidence in the coming election. If elected you can depend that my best energies will be devoted to your interests. Thanking you for past favors, I am, Yours faithfully, W. M. STONE.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: I am a candidate for the office of Mayor of the city of Chatham for the year 1907, and respectfully ask for your vote and influence. If elected I shall endeavor faithfully to discharge the duties of the high office, and shall place my time, energies and best judgment unreservedly at the service of the city. Thanking you for the support you have so kindly given me in the past, I am, Yours faithfully, THOMAS SCULLARD.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: I am again a candidate for the position of Alderman of the Maple City, and would respectfully solicit your vote and influence, promising at all times to serve the city to the best of my ability. JOHN EDMONDSON.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: As a number of my friends have asked me to place my name before the public for alderman for the year 1907, I have decided to do so. If you see fit to support me, I will do all in my power to keep down needless expenses. I was born in this city, and do take interest in the city's welfare. Hoping you may mark your ballot for me, and wishing you the compliments of the season, I remain, Respectfully yours, F. E. BAXTER.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: For the third time I am a candidate for the Council (1907). I deem it proper to express my views on some important questions. 1. I believe the city property owners are taxed to the limit of endurance. If elected, I shall support conservative, judicious economy, consistently with adequate services to the people. 2. I believe no more bonuses or gifts should be given to new companies except under special circumstances, and in no case without undoubted security. 3. I believe in establishing up-to-date bathing and swimming baths for the citizens. 4. I believe the Board of Health should be re-organized for better service and at greatly reduced expense. 5. I believe the railways and telephone company should be made to show the mark as to their agreements. I fought them before and will fight them again if necessary. 6. I will not vote for the good ladies, as they will do all the talking for me themselves. GEO. G. MARTIN. Chatham, Dec. 15th, 1906.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: I am a candidate for election to the Board of Education for the ensuing year. If my stewardship during the past two years on the School Board has met with your approval, I would respectfully solicit your vote and influence. Wishing you the compliments of the season, I am, Yours faithfully, W. C. McARTHUR.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: At the request of a large number of the ratepayers of the city, I have consented to become a candidate for the Board of Education for 1907, and respectfully ask your support by your vote and influence. If elected, I shall endeavor to be worthy of your confidence. As it will be impossible for me to make a personal canvass of the whole city, I take this means of soliciting your support. Wishing you the compliments of the season, I am, Respectfully yours, J. C. McLEAN.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen: I am a candidate for the Board of Education for 1907 and shall be grateful for your support if you think I am worthy of it. My main object in getting on the Public School Board last January was as my printed platform showed, to work for the establishment of a Board of Education in place of the present Ward system, and the records will show that I have carried out my promises in that as well as in other matters. Following my custom of last year I shall later place my printed platform in the hands of every elector. I was only a few years ago a pupil of the Public and High schools of this city and have always had their best interests at heart. Wishing you all a prosperous and happy year in 1907, I am, Sincerely yours, ROBERT L. BRACKIN.

TO THE ELECTORS OF HARWICH.

At the request of a large number of ratepayers, I am again a candidate for election to the Council Board for the ensuing year. I trust my actions during the past year have met with your approval and that I may hope for a renewal of your confidence, and respectfully solicit your vote and influence. Wishing you a Happy New Year, I am, Your obedient servant, GEORGE S. GERBER, Vanhora.

TO THE ELECTORS OF HARWICH.

Ladies and Gentlemen: I am again a candidate for the Reeve of Harwich, and would solicit your vote and influence in my favor. I was a member of the County Council under the old system, and that experience would be helpful if you honor me by re-electing me as your representative under the new system.
