The maritime provincial grange meets in annual session in Halifax, February 10th.

WANTED.—1 doz. spring pullets, alive, for which cash will be paid. Apply at this office.

We have now twenty-two stipendiary magistrates in King's county and yet people will complain about lack of justice.

Any person wishing to purchase American Top Buggies will learn something to their advantage by enquiring at the White Rock Post Office.

R. D. G. O'Leary.

We will send the ACADIAN and the *Hearthstone, Farm and Nation*, a first class monthly Agricultural Journal, for only \$1.00 per year in advance, the usual price of the *H., F. & N.* alone.

Mr. J. W. Kimball sent us this week a sprout of the "Masters" plum of a year's growth which measured 8 1/2 feet. We would direct the attention of our readers to his advertisement, in another column, of the tree.

People are finding out every day that the merchant who gives long time must get long prices. Caldwell & Murray sell for cash or its equivalent and the people save money by buying from them, because there are no bad debts to be made up.

We have received the first number of *Alden's Juvenile Gem*, published by John B. Alden, New York. It is a bright little paper, filled with choice literature for the young, and we would advise our readers to send for a sample copy.

Why pay six or seven dollars for making a suit when you can get a better fit and better made at Caldwell & Murray's for little more than the price of the cloth. Their overcoats are the best fitting in the market and wonderfully cheap.

Rev. G. E. Day, M. D., of Yarmouth, lectures to-night in Academy Hall. They should have a full house as it will be the last opportunity of hearing Dr. Day previous to his removal to the United States.

Prof. J. P. Tuck, of the R. R. Palace Photograph Car, has placed with me for collection, all accounts due them for pictures taken in Kentville and Wolfville. All persons thus indebted will take due notice and govern themselves accordingly.

J. B. Davison, J. P.

The "Bus now running between Wolfville and Port Williams Bridge appears to be doing a good business. The people on both sides of the river seem to appreciate the accommodation very much and are patronizing it quite extensively. We congratulate Mr. Bishop on his success so far and bespeak for him the patronage his enterprise deserves.

HYMENEAL.—It becomes our pleasing duty to chronicle an event so joyous that even the hard times cannot dissipate or destroy, although the pressure of the present hard times are militating against many of the enjoyments of mortals in this mundane sphere. On Wed. Jan. 14th, groups of gaily dressed people young men and maidens, little children of a few brief summers, to the old men of venerable locks, might have been seen wending their way to the neat little Baptist Church at White Rock. We followed among the rest eager to anticipate the scene. Lo and behold, the fairy scene which greeted our eyes, beautiful arches of evergreen overhung the central aisle with gorgeously be-dizened horse-shoes suspended from the same, these talismans of good luck were notably abundant, wreaths of artificial flowers hung from the walls. The secret was out when we noticed over the Pulpit the pretty motto:

"Sweet are the chimes of the wedding bells."

The large audience was eagerly awaiting the bridal party whose destiny was to run in the same groove. Mr. Truman Bishop entered attended by his groomsmen, soon followed by the affianced, Miss Ellen C. Forsythe one of the fair maidens of White Rock. The clergyman was on the spot who at once commenced the ceremony of marriage in the simple yet impressive form known to Baptist clergymen. In a few minutes the happy husband and wife retired from the crowded Church and were driven to the hospitable home of the bride's father where a large company of the relatives assembled, and all "went merry as a marriage bell." Later in the evening the youthful couple started for Highbury and took possession of their future home followed by the good wishes of all their many friends. May fortune ever smile upon them is the wish of an

OB. REVER.

### To the Editors of the Acadian.

SIR,—A correspondent to the *Western Chronicle* signing himself "Cornwallis," says—"Mr. D. B. Newcomb, a resident of Cornwallis, has been active in our County business for some ten or fifteen years." That he "endeavored to stand by the interest of Horton on a fair principle, in all her claims &c.," "and impartially to perform the duties assigned him. The reward he gets for thus considering Horton on a fair principle &c." "is to be 'sold' or swapped off—thrown out—when in the middle of his duties &c." "Cornwallis" utterly failed to give any reason why Mr. Newcomb or any other person should be continued in office from year to year thus monopolising the most lucrative appointment in the gift of the Council. Mr. Newcomb, it is well known, has received for his very distinguished services during the last five years some \$200 which has been assessed upon the residents of this County, Horton included. "Cornwallis" seems very anxious to incite these sectional feelings which are calculated to restore improvement in the management of our Municipal affairs. I, Messrs. Editors, am very strongly opposed to sectional interest being manifested in the management of our County matters and also am strongly opposed to keeping any one man in office from year to year without change, particularly so when there are plenty of men in different parts of the County, equally as well qualified, quite as disinterested, fully as conscientious and willing to perform the duties, for the same remuneration. Is it fair or honest to keep one man continually in office to the exclusion of all others, when the officer is liberally paid for his services? or is it likewise fair to compel men to act from year to year in subordinate positions in which the remuneration is comparatively nothing. I think not, and believe that the Council was fully justified in making the change and hope that they will continue to do so at reasonable intervals irrespective of whom the party may be who is to be removed. "Cornwallis" should remember that his opinion, when unaccompanied by justifiable reasons, is not sufficient to cast discredit upon the Council of Horton and Aylesford.

Found! a Plum Tree that will not Black Knot!

The **Masters Plum Tree** has stood the test 40 years in Kentville, King's County, Nova Scotia. Chas. A. Masters, of Kentville, found this tree growing on lands now owned by Judge G. A. Blanchard forty years ago, and removed the tree to his garden in the village, where it now stands a healthy bearing tree, and is now owned by me. There are scores of trees throughout the village in bearing from 4 to 20 years old which bear every year, and not a vestige of black knot appears on one of them. The tree is an annual bearer of rapid growth, growing tall not spreading. The Plum is quite large, purple color, and of excellent quality. It is the best preserving plum grown, and sells higher than any plum brought into the market. Last year, while the crop was immense, this plum readily brought \$3.00 per bushel, \$1.00 more than any other variety offered for sale. We have several hundred first class trees to offer for the spring planting and intend to plant 6,000 root grafts here. That this is the best and most profitable Plum Tree to plant that is grown in the Dominion of Canada, and that it will not black knot we refer the planters of this delicious fruit to F. S. Masters, Barrister, of whom we purchased the original tree; also to Chas. A. Masters, G. A. Blanchard (Judge), J. B. Blanchard, H. B. Webster, M. D., J. E. Mulloney, M. D., Otho Eaton, John Byrne, T. E. Smith, J. A. Shaw.
