SAFEGUARDING THE YOUNG

Some of the citizens of Wolfville who realize the importance of safeguarding the child-life of the community have endeavoured from time to time to secure the passing of a curfew ordinance for the town. Delegations have waited on the Council urging action along this line, without result. There is no doubt but that the practice of allowing children alone on the streets during the evenings and until late at night is calculated to develop anything but desirable citizenship and if our people are wise they will insist on some action being taken to prevent it. In other towns the curfew has been enforced with very satisfactory results and what has been done elsewhere might just as easily be accomplished in Wolfville. It is hoped that citizens may be induced to regard their responsibility to the future generations to the extent of exhibiting a proper interest in this most important matter and indicate their views with no uncertain sound to those with whom they have entrusted the conduct of public affairs. For a town of the general character of Wolfville there is entirely too much disorder on our streets at night and too much evidence of loose living, and this might be very largely due to the fact that boys and girls of tender age are allowed without restraint to roam our streets at all hours of the night.

THE PRICE OF COAL

As the season approaches when it will be necessary for the thrifty householder to provide a supply of fuel for the coming winter the interest in the price of coal will naturally be increased. During recent years the public have been bled shamefully in order that the home fires might be kept burning and it is very reasonable that now after four winters of peace that they might expect that better conditions should prevail. THE ACADIAN does not undertake at this stage to diagnose the situation fully or to definitely place the responsibility for the present prices, but simply desires to point out that these prices are ridiculously high and that it is full time for a change for the better. Theoretically the people of Nova Scotia are the owners of a considerable part of the province and there seems to be no logical reason why they should be paying more for their coal than is paid elsewhere. Last winter a cargo of bituminous coal from the United States was landed at Windsor and it is stated was sold at four dollars less per ton than was paid for the domestic supply. The public has been extremely patient in this as well as in other matters of readjustment and should now insist that better conditions obtain in the price of the winter's coal supply which is always an important item of the household expenditure.

Mr. and Mrs. A. K. Forsythe returned home on June 27th from a delightful two weeks visit with friends at Sackville and other places in New Brunswick. They were pleased to find their row of nice sweet peas in bloom, which is very early. We have not heard of any others in blossom yet in this place, although some are in bud.

Mrs. A. J. Mason and children, Wolfville, recently visited at the home of Mr. and Mrs. T. A. Pearson, one afternoon.

Mr. and Mrs. Seth W. Crowell were recently gladdened by the arrival at their home of their first little son.

Rev. F. J. Armitage, with Mrs. Armitage and four children, left last Wednesday afternoon for Windsor, after visiting over a week at the home of Mrs. Fred Forsythe and with other friends here. On Thursday they left for Oxford where Mr. Armitage is now stationed. A good audience enjoyed a splendid sermon from Mr. Armitage the Sunday before, in the Church here. He referred very patriotically to "Our Canada. One of his "old time" hand shakes at the close of the service was also enjoyed by many friends and the true best wishes of all follow them to their new home. It was with regret the friends here of Miss Harvey, sister of Mrs. Armitage, learned of her illness from blood-poisoning, in a finger and her being a patient at Pazyant Memorial Hospital, Windsor, but doing well as could be expected.

Miss Edith Reid, who was recently married in Portland, Maine, has a number of friends here, who extend to her hearty congratulations. Miss Reid occasionally visited her mother here, Mrs. Annie Reid.

All were very sorrow to hear of the accident of Andrew Forsythe, eldest son of Mr. and Mrs. Lovitt Forsythe, formerly residents of this place, now of Port Williams. He cut his head badly by a fall at the station here. Dr. Grant was immediately called and took several stitches and Andrew has been recovering finely since.

Mrs. Lee Bishop, who has been ill and a close prisoner to the house for several weeks, was out for a short auto ride on Monday. Her friends now hope for a steady and quick improvement in health.

Mr. and Mrs. T. Andrew Pearson, with two daughters and accompanied by Gil Rand of Wolfville, motored to Bear River on Sunday to visit Mr. and Mrs. Brenton Merry.

It was with deep regret our residents heard of Dr. Allan leaving Wolfville, to reside at his former home in Shelburne Co. He was well liked as a doctor and was considered a fine man. At times he visited professionally at some of our homes, and many good wishes follow him.

The many friends in this community of Mr. and Mrs. George Bishop and daughter Marion were deeply interested, when the news went around last Friday evening, that Marion was ill and had to be at once taken to Westwood Hospital, Wolfville, for an operation for appendicitis. It was a successful operation and the patient is doing well.

FAREWELL AND PRESENTATION

The executive session of the United Baptist Women's Missionary Union was held in Wolfville last Thursday and Friday in the Baptist Church, with Mrs. Clark, of Fredericton, in the chair. Much business was transacted, including the appointment of Miss Evelyn Eaton, of Canard, trained nurse, for the missionary field in India. Luchon was served in the dining hall on Friday to the members of the executive, which was also in the nature of a farewell to Mrs. Cutten, one of its valued members, who is removing to Hamilton, N. Y.

Mrs. Clark made a farewell address, seconded by Mrs. MacDonald, which was very fittingly responded to by Mrs. Catten. On Thursday afternoon tea was served in the church to the local members of the W. B. M. U. and also to the executive, on which occasion the acting president, Mrs. J. H. Macdonald, was presented with a bouquet of sweet peas in a silver vase.
