

Peep again in your oven.
See those loaves, those *pleasing*
loaves you've made.
How *fat—rounded—substantial*.
No, they *won't* fall when colder.
Because the *Manitoba strength* that
is in FIVE ROSES will hold them up
till eaten.
This sturdy *elastic* gluten has kept them
from dropping *flat* in the oven.
No unsightly holes 'twixt crust and crumb—
never.
All risen *evenly*—to stay risen.
Never heavy—sodden—soggy—indigestible.
Yours are the FIVE ROSES loaves—
Crinkly and *appetizing* of crust.
Golden brown and tender.
Snowy of crumb—*light* as thistle-down.
FIVE ROSES helps a lot.
Try it *soon*.

CAMPBELLTON NEWS

Won't somebody please say something tough about the New Council?

On Wednesday Frank Roussie met with a nasty accident at the I. C. R. yards. He was standing in a car loading coal and the car moving forward he was jammed between the coal bucket and the end of the car. We understand his injuries are not serious.

The Bishop has accepted Mr. Coleman's resignation of Campbellton, where he has been rector for the past eight years. Mr. Coleman has been appointed to Dalhousie. The resignation will take effect May 31st, and the appointment June 1st.

The ice began to break up opposite the government wharf yesterday and considerable open water is now visible. The ice will probably run out early next week.

Mr. N. F. McMillan of the I. R. C. Freight yards has so far recovered from his illness as to be out for an hour or two this week.

DIED

On Feb. 4th, at the General Hospital, Toronto, Mrs. Mary Jane Ridd Rennie. Deceased was for a long time a resident of Flat Lands and will be remembered by friends there.

From later information received we learn that Mr. H. C. Bradley was quite a heavy loser in the fire which destroyed Chas. Dugay's building last week. Mr. Bradley had rented part of the building for Ginger Ale Works and store and lost over \$200 worth of stock, besides all his personal effects. He carried no insurance.

The I. R. C. police made an arrest on Wednesday of a man suspected of being implicated in the recent burglary at Jacquet River. It will be remembered that the freight shed there was broken into some ten days ago and a case of brandy stolen. We understand the Railway have a good case and accused is held in custody at Dalhousie pending trial.

The annual meeting of the Town Council will be held on Tuesday, the 2nd day of May next at 8 o'clock. The officers for the ensuing year will be appointed at this meeting. All those wishing license for livery stables, trucking, auctioneering, cabs or coaches, pool and billiard tables, or bowling alleys, should have their applications for same filed with the Town Clerk before this meeting.

On Tuesday evening about 10 o'clock fire was discovered in the dry good store of A. Amante and son. The flames soon destroyed the small temporary shack and endangered Norman Gray's restaurant adjoining. A strong pressure of water was at hand and notwithstanding the bursting of a hose the fire was soon under control. We understand the damage is fully covered by insurance, Amante having \$1000 and Norman Gray \$800.

In reply to an enquiry Mr. S. W. Dimock informed our representative that he is making preparations to enlarge the Campbellton Opera House by making the present building 23 feet wider which will give a seating accommodation for 1000 people on the ground floor besides the boxes. Contracts will let in a few days for the metal work and the painting of the entire building. When completed we shall have a fully equipped Opera House which will be a credit to the town.

SARNIA, ONT., Feb. 5th, 1910.
"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of The Stomach. I tried many remedies and many doctors but derived no benefit whatever. I have now taken "Fruit-a-tives" for some months and find that they are the only remedy that does me good. I have recommended "Fruit-a-tives" to a great many of my friends and I cannot praise these fruit tablets too highly."
PAUL J. JONES

Mrs. Fred Wyers, Miss Carrie Williston and Miss Dollie E. Fraser were the guests of Miss Harvey Myles Sunday afternoon. The roads are very bad, which makes driving very unpleasant, but the river will be open soon.
