SHOOTING AT PORCUPINE
HE FIRES HIS HOUSE

Huntsville, May 15.—A dwelling in
the township of Chaffey was burned
Monday under peculiar circumstances.
The occupant was an old man,
who had as his companion his unmar-
ried son. They had been moved to
some days with highly visits from
porcupines, and during the forenoon
yesterday the son determined to ex-
terminate the pests. He secured an
old shotgun and drove one under the
house. He poked the barrel under
the sill and fired. A flaming mat-
ter caught fire and the building was
soon totally destroyed, together with
almost the whole of the contents. The
aged father was brought to town and
will remain with friends here until
a new home can be provided.

MEAT CAUSE OF
KIDNEY TROUBLE

Take Salts to flush Kidneys if Back
hurts or Bladder bothers.

If you must have your meat every
day, eat it, but flush your kidneys
with salts occasionally, says a noted
authority who tells us that meat
forms uric acid which almost par-
alyzes the kidneys in their efforts to
expel it from the blood. They become
luggish and weaken; then you suffer
with a dull misery in the kidney re-
gion, sharp pains in the back or sick
headache, dizziness, your stomach
sour, tongue is coated and when
he weather is bad you have rheu-
matic twinges. The urine gets cloudy,
full of sediment, the channels often
get sore and irritated, obliging you to
seek relief two or three times dur-
ing the night.

To neutralize these irritating acids,
to cleanse the kidneys and flush off
the body's urinous waste get four ounces
of Jad Salts from any pharmacy
ere; take a tablespoonful in a glass
of water before breakfast for a few
days and your kidneys will then act
ne. This famous salts is made from
he acid of grapes and lemon juice,
ombed with lithia, and has been
sed for generations to flush and
stimulate sluggish kidneys, also to
neutralize the acids in urine so it no
onger irritates, thus ending bladder
weakness.

Jad Salts is inexpensive; cannot
injure, and makes a delightful effec-
vescent lithia-water drink.
