THURSDAY, NOVEMBER 25, 1909.

BURDEN

Premier McBride it seems ha

standing, though he has himself to blame for it. Since he entered the political stage of his native province that gentleman has posed as a steadfast friend and champion of the inthose interests he has rather more than hinted to include whatever the Dominion could be wheedled or threat vince against the Dominion. He has peals for re-election have been less on last year. the ground that he would continue to policy of his government

of \$21,000,000 off the shoulders of the of opportunity, and so far Parliament Dominion and to saddle it upon the people of his Province. And lest the that kind. people of the Province s ould see th real "inwards" of the deal he de nauda that they shall vote on the question before they have had time to examina the circumstances or to look into the merits of the bargain. The Canadian Northern railway has been Suilt across the prairies with the aid of the Do mion. For its construction no Provincial Government has been required read has been recognized from tie first as the beginning of a thorough line to the Pacific, if not of a trancontinental railway. The Dominion Parliament in bonding it across the prairies therefore placed itself and m a certain moral obligation to see the enterprise through. There is no rea have backed the bonds for the remainder of the line at the coming session if the promoters had asked it to do so. But it will not be necessary to do so if Mr. McBride and his shat tered Cabinet are returned to offi s This burden the Premier generously undertakes to relieve the Dominion of and to place it upon the people of Itis Province. How he proposes to har half hour each. monize this course with the notion opular outside of that Province.

larity of service is to continue this tertainment. should certainly be done. It would ever, to have the cars reach theco points on scheduled time, if it can he done.

Again we are reminded by an appalling disaster that peaceful industry hath her heroes as well as war. Its for nibbons by striking men down.
