CRIPPLED RHEUMATIC WALKED

After Applying Egyptian Liniment

This is from Mr. Patrick Harvey, of Tamworth, Ont.:

"Having been cured of rheumatism by Douglas' Egytian Liniment, I desire to offer this testimonial as to its efficacy. I was so badly crippled that I could hardly walk, it being in my leg and thigh. I rubbed the affected parts thoroughly with the Egyptian Liniment and before thirty minutes had clapsed I felt so much relieved that I went for a walk. That night the pain returned, so I repeated the application, and also 24 hours later. I am thankful to state that I have not been troubled since. I believe from experience that Egyptian Liniment is the best liniment made—at least it has proved to be in any case I have seem."

Do you know of any other Liniment that drives away rheumatism so quickly? You'll be doing a favor to any rheumatics if you advise them to try Douglas' Egyptian Liniment. '7!
