MAY I SAY Thank You

Owing to the kind support and excellent discernment of those of my friends who purchased Murphy Calendars I am happy to report that the business from St. John's during the first week of the Calendar season exceeded that obtained by any new salesman of the Murphy Co. in the whole of the United States and Canada.

To those of my friends who bought Murphy Calendars I extend sincere thanks and express the wish that the new business brought them by the use of Murphy Calendars will more than repay them for the investment.

To those of my friends who have not yet bought I would say there are many beautiful Calendars left, and to look over the Murphy samples is an education in itself, even if you do not wish to buy a Calendar, and I am at all times only too pleased to show the samples.

Dear Sir,—As we will not have any representative calling upon you, at least in the early part of the season, we beg to thank you for your past patronage and hope for your generous support in the future.

We have, as yet, made no change in the prices of any of our products since the war began.

By doing this you will allow us to keep prices at the present level and enable yourselves to buy at the lowest prices any goods which we have in your line.

That means a saving in expense, too, as our meats, although best, are lowly priced.
