A NEW NOVEL  
by the author of "The Shepherd  
of the Hills."  
"Helen of the Old  
House,"  
by Harold Bell Wright.  
A stirring romance of Ameri-  
can life to-day. The scene of  
the story is not localised but  
brings to mind almost any man-  
ufacturing town or community.  
The chief character, "Helen of  
the Old House," represents the  
finest type of American woman-  
hood. A beautiful love story in  
a colorful setting. "Helen of  
the Old House," sweeps to a climax  
that leaves one impressed anew  
with the virility and force of  
Harold Bell Wright.
