IF YOU READ THIS LIKE THIS YOU NEED

YOU are the person I'm talking to. YOU sometimes see the type jump from the page. YOU sometimes see the lines of type go uphill, then down. YOU sometimes see a blurred spot on your newspaper when you know they are words to be read. YOU know very well that it isn't the blurriness that you blame for all this. YOU know positively that it is your eyes.

To correct all this trouble you are welcome to consult with me—Free of Charge—any time between 10 a.m. and 6 p.m. in the day.

Eyeglass Insurance

Is becoming very popular, because the premium is small (less than the cost of one lens). It entitles you to have the two lenses replaced if you have the misfortune to break or lose them. Simply bring or send your glasses to my office (No. 338 Duckworth Street, near Beck's Cove) so that a copy of same may be made and the premium estimated.

This is for all, it does not matter where you originally got your glasses. Office hours: 10 to 12.30, 2 to 5, 7 to 8.
