Our Mr. Young has just returned from a purchasing trip to England, and our new goods will be coming forward almost at once, and just now the two things required most by us are: (1) Money to pay duties; (2) room for the new goods. You can help us in both ways. We have gone round and put the knife into several lines that it will pay you to see. R. J. Young & Co. will sell you cheaper goods than other people will. We buy right, and can and will sell right.

Come in at once and see what weare doing. If you need a Dress, we can

sell you one cheap. If you need Household Goods, we can show you value unsur-

Hit on the Head.

Last evening a crowd of men became disorderly while debating in the Land Hotel and proceeded to enforce their argument by smashing glasses on the floor. The proprietor ordered them out but they refused, whereupon Land caught hold of them and fired them out on the street. As he was coming back into the bar someone in the crowd that gathered outside struck him on the head with a heavy stick, inflicting a painful wound and causing the blood to flow freely. Dr. Mitchell was summoned and found it necessary to put a number of stitches in the wound. No arrests have been made.
