secutor and several witnesses, the exami-
nation was deferred until Friday.

—Mr. Bell-Smith's many friends in this
city will be interested in the following
from the Globe: About 65 of Mr. F. M.
Bell-Smith's paintings were sold yesterday
at Toronto. The sale aggregated
\$2,373. One painting purchased by
Hon. Edward Blake for \$150. It was the
dullest gathering scene on the Bay of Fundy,
which has been so much admired. Mr.
Blake also bought four paintings of scenes
around Murray Bay. All of the pictures
excepting one, a large painting of a scene
on the Saguenay, were sold. This one was
offered, but Mr. Bell-Smith said that he
would rather present it to the National Gal-
lery at Ottawa than have it sold for any-
thing less than \$200. As that price was
not offered, the painting was not disposed
of. Mr. Bell-Smith intends leaving for
Europe about the end of this month.

Boys in Trouble.

George Flint, Edgar Peters and Frank
Reid were charged at the Police Court
with assaulting and wounding H. H. Dixon.
The complainant's story was that the boys
annoyed him while performing his duty as
caretaker of the old Hellmuth College;
that they made a practice of calling him
nicknames and gave further offense by
throwing stones; that he gave chase to the
three the other day, and in the scuffle
which ensued his finger was dislocated
and a brickbat struck him in the back.
The boys denied Dixon's story and were
discharged.

The Cleveland Minstrels.

The plan for Monday evening's perform-
ance by the great Cleveland Minstrels
is now open at the Grand Opera House.
The troupe is acknowledged to be the best
on the road, and besides, the popular Willis
P. Sweatman and Billy Rice, there are
several other prominent minstrel artists.
A strong feature is Sugimoto's troupe of
Japanese performers, whom Cleveland
brought to the country from Japan by
special permit from the Mikado. They are
the acknowledged superiors of all others in
feats of daring and skill on the high wire,
the balancing ladders, sword walking, fen-
cing, and the prices obtained for acrobatic
and balancing feats is varied and wonderful.

Florists and Gardeners.

At the regular meeting of the Florists' and
Gardeners' Society on Monday evening the
following officers were elected for the en-
suing term: President, Geo. Bennett;
vice-president, S. H. Craig; secretary, Wm.
Gammage; treasurer, G. Cairnes. Messrs.
Cairnes and Winton were elected repre-
sentatives to the Western Fair Association.
A vote of thanks was passed and ordered
to be tendered to Mayor Taylor and each of
the city fathers for the very liberal assist-
ance which they rendered at the recent
flower show, also to Messrs. Fisher &
Manda, of Short Hills, N. J.; Peter Hender-
son & Co., New York; Nathan Smith &
Son, Adrian, Mich.; Webster Bros., Hamil-
ton, for their exhibit of orchids, ferns, and
to Messrs. J. B. Lamb, of Fayetteville,
N. C.; Liebrecht & Wadley, of New Ro-
chelle, for their exhibit of orchids and
curiosities. Notwithstanding the
show not having been a financial success,
the members are not discouraged with their
first attempt. Already preparations are
being made for next year.

Teens Park Lots Sold.

The sale of Teens Park lots in the
City Hall last evening was fairly well at-
tended. Mr. J. W. Jones conducted the
sale for the London Trust, and succeeded
in disposing of about one-third of the lots
offered. The prices obtained were fairly
satisfactory, the aggregate amount re-
alized by the sale of the eleven
lots being \$5,716 41. The following
parcels were disposed of: Lot No. 20,
east Richmond street, W. Scarrow, \$12 50
per foot; lot No. 91, south Pall Mall street,

eral business had been dispensed with the

spent in social chat and singing.

Seymour Thatcher, M.D., of Hermon,
N. Y., says WISTAR'S BALSAM OF WILD
ORANGE cures a cough by loosening and
clearing the lungs and allaying irritation,
thus removing the cause instead of drying
up the cough and leaving the cause behind.

A highwayman is as much a robber when
he plunders a gang, as when single, and
a nation that makes an unjust war is only
a great gang.—[Franklin.]

Carter's Little Liver Pills must not be con-
founded with common Cathartic or Purgative
Pills, as they are entirely unlike them in every
respect. One trial will prove their superiority.

A woman may learn one useful doctrine
from the game of backgammon; which is,
not to take up her man till she is sure of
binding him.—[Tom Brown.]

A man's wife should always be the same
especially to her husband; but if she is weak
and nervous and uses Carter's Iron Pills, she
cannot be, for they will make her "feel like a
different person," at least so they all say, and
their husbands say so, too.

Truth is like the dew of Heaven; to keep
it pure, it must be received in a pure
vessel.—[St. Pierre.]

A Dinner Pill.—Many persons suffer ex-
ercising agony after partaking of a hearty
dinner. The food partaken of is like a ball
of lead upon the stomach, and instead of
being a healthy nutriment it becomes a
poison to the system. Dr. Parmenter's Vege-
table Pills are wonderful correctives of such
troubles. They correct acidity, open the
secretions and convert the food partaken of
into healthy nutriment. They are just the
medicine to take if troubled with indiges-
tion or Dyspepsia.

"Do you find enough to keep you busy these
days, Jim?" "You bet. I'm putting in a
bigger day's work these days than ever I
did before." "Why, I thought you'd given
up your job." "So I did. I'm looking for
another."

After a man has made a certain amount of
money his neighbors begin to hear that he
had ancestors.

Peculiar.

In the combination of proportion, and prepara-
tion of its ingredients, Hood's Sarsaparilla ac-
complishes cures where other preparations en-
tirely fail. Peculiar in its good name at home,
which is a "tower of strength abroad," Hood's
Sarsaparilla is the most successful medicine for
purifying the blood, giving strength, and cre-
ating an appetite.

There are men and men, as there are sand-
wiches and sandwiches. There is nothing
in some of them, and in others the more
there is so much the worse.

Mr. J. R. Allen, upholsterer, Toronto,
sends us the following: "For six or seven
years my wife suffered with Dyspepsia,
Costiveness, Inward Piles and Kidney Com-
plaint. We tried two physicians and any
number of medicines without getting any
relief, until we got a bottle of Northrop &
Lyman's Vegetable Discovery. This was
the first relief she got, and before one bottle
was used the benefit she derived from it
was beyond our expectation."

Mrs. Bloomer—I tell you woman's in-
tellect is enslaved even in this nineteenth
century. Bloomer—You're ought not to
be. You have been freeing your mind for
twenty years.

Awed Tourist in the Highlands.—Dear me,
I don't wonder these natives are so mu-
sical. The guide-book states that their
ancestors were in the habit of lifting cattle!

Why will you allow a cough to irritate
your throat or lungs and run the risk of
filling a consumptive grave, when, by the
timely use of Bickel's Anti-Consumptive
Syrup the pain can be allayed and the
danger avoided? This Syrup is pleasant to
the taste, and unsurpassed for relieving,
healing and curing all affections of the
throat and lungs, coughs, colds, bronchitis,
etc.

Smokers Should Read.

London is well known throughout Canada,
particularly as the city from which the
celebrated "Highland Lassie" cigar is
shipped to all parts of the Dominion
from the Atlantic to the Pacific. Messrs.
H. McKay & Co., the manufacturers,
take a special pride in the 5-cent cigar.
It has been completely tested by the
majority of the smokers of the country,
who pronounce it the choicest article
on the market. Nothing but the best
filers and wrappers are allowed in its
composition, and when once tried, it con-
vinces the most sceptical of its superiority.
Messrs. H. McKay & Co.'s immense estab-
lishment, with its products, is a credit to
the city.
