STOCK MARKETS. H. C. Becher, stock broker, Bank of Commerce building, received the follow-ing by private wire from Bartlett, Fra-zier & Carrington today: New York, Oct. 24.—Noon.—The test

of prices in today's market was a entirely satisfactory. London houses May .... were heavy sellers during the first hour and a half, and the traders being apprehensive over the foreign situation, were free takers of profits, and in many cases went short. Moderate declines took place at times, but the undertone was decidedly strong, and there were evidences in some quarters of buying of an excellent character. ). W. was extremely active and strong. the opinion being that absorption by important interests was taking place Of the industrials, Sugar was the leader, and here again the brokers who were the heaviest purchasers have conwith influential parties. Rumors of purchases of Erie for control were again present. Around 40 good deal of stock made its appearance for sale. Up to noon it was thought that the short interest had been in-

creased whilst stocks had passed into strong hands. Sales to noon, 974,500. MONTREAL. Montreal, Oct. 24. Canadian Pacific Railway...134½.
